Subject: RE: PD 23-0516 (Duncan Road) - Request Withdrawal & Application Full Refund

Good afternoon, Michelle

As per meeting we had conducted last month on the above application and requiring the adjacent neighbors who is part of the previous PD to sign off and/or join the PD modification process, the neighbors had no intention of joining our PD process, nor help on understanding what we are working so no positive result in that regards. According, we are asking of withdrawal of the above application for processing or further consideration and request full refund to the application fee.

Please if you direct us on process of requesting a refund which hope as discussed to be in full since really had no choice to us but to withdraw and not proceeding with the application.

Thanks greatly
