Good Morning, Ms. Brown,

I hope your day is starting off well!

As discussed yesterday, we would like to continue our rezoning to work through some of the concerns raised by the Planning Commission and Transportation. Please accept this email as the official request to continue RZ 24-0171 to the 2/20/24 ZHM meeting. If you need anything along with this request, please do not hesitate to contact me.

Thank you,
