### **RECOMMENDATION:**

Grant permission to the Development Review Division of Development Services Department to administratively accept the Required Off-Site Improvement Facilities (roadway & turn lanes, water main and force main) for Maintenance upon proper completion, submittal and approval of all required documentation, and construction final acceptance by the Development Review Division of Development Services Department to serve Big Bend Logistics, located in Section 14, Township 31, and Range 19. Also provide the administrative rights to release the warranty security upon expiration of the warranty period, warranty inspection and correction of any failure, deterioration or damage to the Improvement Facilities. Accept a Warranty Bond in the amount of \$39,415.70 and authorize the Chairman to execute the Agreement for Warranty of Required Off-Site Improvements.

## **BACKGROUND:**

On July 7, 2020, Permission to construct was issued for Big Bend Logistics. Construction has been completed in accordance with the approved plans and has been inspected and approved by the Development Review Division of Development Services Department. The developer has provided the required Warranty Bond, which the County Attorney's Office has reviewed and approved. The developer is Seefried Big Bend, LLC and the engineer is Kimley Horn.

# OWNER/DEVELOPER'S AGREEMENT FOR WARRANTY OF REQUIRED OFF-SITE IMPROVEMENTS

| This Agreement made and entered into this day of                         | , 2021,                       |
|--|-------------------------------|
| by and between Seefried Big Bend, LLC, hereinafter referred to as the    | "Owner/Developer," and        |
| Hillsborough County, a political subdivision of the State of Florida, he | ereinafter referred to as the |
| "County."  |                               |

## Witnesseth

WHEREAS, the Board of County Commissioners of Hillsborough County has adopted Site Development Regulations which are set forth in the Land Development Code (hereafter the "Site Development Regulations"); and

WHEREAS, the Site Development Regulations authorize the County to accept ownership and/or maintenance responsibility of off-site improvement facilities constructed by the Owner/Developer in conjunction with site development projects in Hillsborough County, provided that the improvement facilities meet County standards and are warranted against defects in workmanship and materials for a period of two (2) years; and

WHEREAS, the Owner/Developer has completed certain off-site improvement facilities in conjunction with the site development project known as <u>Big Bend Logistics</u>; and

WHEREAS, pursuant to the Site Development Regulations, the Owner/Developer has requested the County to accept the aforementioned off-site improvement facilities for ownership and/or maintenance; and

WHEREAS, the Owner/Developer has represented to the County that the completed improvement facilities have been constructed in accordance with the approved plans and all applicable County regulations and technical specifications; and

WHEREAS, the Owner/Developer has offered to warranty the off-site improvement facilities against any defects in workmanship and materials and to correct any such defects which arise during the warranty period.

NOW, THEREFORE, in consideration of the intent and desire of the Owner/Developer as set forth herein, and to gain acceptance for ownership and/or maintenance by the County of the aforementioned off-site improvement facilities, the Owner/Developer and the County agree as follows:

- 1. The terms, conditions and regulations contained in the Site Development Regulations are hereby incorporated by reference and made a part of this Agreement.
- 2. For a period of two (2) years following the date of acceptance of the off-site improvement facilities for ownership and/or maintenance by the County, the Owner/Developer agrees to warrant the off-site improvement facilities described below against failure, deterioration or damage resulting from defects in workmanship or materials. The Owner/Developer agrees to correct within the warranty period any such failure, deterioration or damage existing in the improvement facilities so that said improvement facilities thereafter comply with the technical specifications contained in the approved plans and Site Development Regulations. The off-site improvement facilities, constructed in conjunction with the site development project known as Big

Bend Logistics are as follows:

Construction of a WB left turn lane on Big Bend Road, extension of existing EB left turn lane on Big Bend Road, one (1) water main connection, and one (1) force main connection.

The Owner/Developer agrees to, and in accordance with the requirements of the Site Development Regulations, does hereby deliver to the County an instrument ensuring the performance of the obligations described in paragraph 2 above, specifically identified as:

- 4. In the event the Owner/Developer shall fail or neglect to fulfill his obligations under this Agreement and as required by the Site Development Regulations, the Owner/Developer shall be liable to pay for the cost of reconstruction of defective off-site improvement facilities to the final total cost, including but not limited to engineering, legal and contingent costs, together with any damages, either direct or consequential, which the County may sustain as a result of the Owner/Developer's failure or neglect to perform.
- 5. The County agrees, pursuant to the terms contained in the Site Development Regulations, to accept the off-site improvement facilities for maintenance, at such time as:
  - a) The Engineer-of-Record for the Owner/Developer certifies in writing that said off-site improvement facilities have been constructed in accordance with:
    - (1) The plans, drawings, and specifications submitted to and approved by the County's Development Review Division of Development Services Department; and
    - (2) All applicable County regulations relating to the construction of the offsite improvement facilities; and

- b) Authorized representatives of the County's Development Review Division of Development Services Department have reviewed the Engineer-of-Record's certification and have not found any discrepancies existing between the constructed improvement facilities and said certification.
- 6. If any part of this Agreement is found invalid and unenforceable by any court of competent jurisdiction, such invalidity or unenforceability shall not affect the other parts of this Agreement if the rights and obligations of the parties contained herein are not materially prejudiced and the intentions of the parties can be effectuated.
