STAFF REPORT 2024-2025 Financial Responsibility Agreement

Background

The Hillsborough County Land Development Code (LDC) Section 8.02.10 requires that phosphate mining permittees furnish to the Board of County Commissioners evidence of financial responsibility in an amount based upon the costs to reclaim or restore all lands disturbed as a result of phosphate mining or processing activities. Such evidence of financial responsibility shall be in the form of financial statements, corporate guarantees, letters of credit, insurance, surety bonds or other financial instruments acceptable to the County. The amount of the financial responsibility is based on the total number of acres mined and expected to be mined in the coming year, the number of acres in first year of establishment after initial planting of permanent vegetation, per LDC Section 8.02.10.C.1 but not through written certification of completed reclamation under LDC Section 8.02.08.C.6, and the amount of storage (design capacity) of the largest active settling or thickening pond.

Staff Review

Mosaic's current year, 2024/2025, proposed comprehensive (Hillsborough Consolidated Mines, Big Four Mine, and Hopewell Mine) financial responsibility agreement was reviewed and negotiated with the Office of Management and Budget, Hillsborough County Financial and Debt Analysis Department and was approved by the Board of County Commissioners on November 7, 2023. This comprehensive financial responsibility agreement includes the following: (1) a Reclamation Surety Bond equal or greater than \$94,299,815 (2) an Environmental Liability Insurance Policy in the minimum amount of \$43,000,000, and (3) a Corporate Guarantee from the Mosaic Company of Delaware in the amount of \$11,769,656.00 to cover EPC wetland mitigation constructed but not yet released at \$7,393 per acre. The total amount of \$149,069,471 reported is based on the current level of the Reclamation Bond and Corporate Guarantee, plus the Environmental Liability Insurance Policy.

The attached Financial Responsibility Agreement was reviewed by the Management & Budget Department and has been found to constitute satisfactory evidence of Mosaic's financial responsibility for the Big Four, the Hopewell, and the Hillsborough County Consolidated Mines, in accordance with the requirements of the LDC.

Financial Impact Statement

No County funds are required for this item.

Conclusion

Based on the staff review of the required documentation, staff recommends the Board motion to approve Mosaic Fertilizer, L.L.C.'s updated Financial Responsibility Agreement and authorize the Chair to execute the attached Financial Responsibility Agreement once executed by Mosaic Fertilizer, L.L.C. This is an annual recalculation of Mosaic's Financial Responsibility based on current rates of mining and reclamation. This Financial Responsibility Agreement protects the

citizens of Hillsborough County from financial impacts of adverse environmental issue and or failure of the company to complete required reclamation activities.

Within sixty (60) days of today's date, Mosaic shall execute and deliver the Financial Responsibility Agreement, attached hereto as Attachment 1, to Hillsborough County for execution by the Board Chair. All exhibits to the Financial Responsibility Agreement (i.e., Exhibit "A" – the Reclamation Surety Bond; Exhibit "B" – the Corporate Guarantee; and Exhibit "C" – the Environmental Insurance Policy Certificate of Insurance) shall be issued or executed, respectively, and attached as exhibits to the Financial Responsibility Agreement.

Attachment 1:

Financial Responsibility Agreement

FINANCIAL RESPONSIBILITY AGREEMENT

THIS AGREEMENT made and entered into this ___ day of _____, by and between Mosaic Fertilizer, LLC, a Delaware limited liability company, (successor in interest to Mosaic Phosphates Company, IMC Phosphates Company, IMC Agrico, and IMC Fertilizer, Inc.), hereinafter referred to as "MOSF," and Hillsborough County, a political subdivision of the State of Florida, hereinafter referred to as "the County."

WITNESSETH:

WHEREAS, on March 23, 1995, the County, relying upon Section 8.02.00 of Article 8 of the Hillsborough County Land Development Code (hereinafter referred to as the "Phosphate Mining Regulations"), adopted Resolution 95-062 approving MOSF'S Operating Permit and Master Mining and Reclamation Plan for the Hillsborough County Mines, a copy of which, as amended, is on file with the County and is incorporated herein by reference; and

WHEREAS, on June 23, 1982, the County approved Resolution 82-1 (Document 82-555) approving the Operating Permit and Master Mining and Reclamation Plan for MOSF'S Hopewell Mine, a copy of which, as amended, is on file with the County and is incorporated herein by reference; and

WHEREAS, on March 29, 1976, the County approved Development Order Resolution No. 75-13-DRI, Mine Operating Permit No. 75-Mine-3, including the Big Four Mine Mining and Reclamation Plan, and Rezoning Petition 75-189 for the Big Four Mine, copies of which, as amended, are on file with the County and are incorporated by reference; and

WHEREAS, on October 8, 1996, the County adopted Resolution No. 96-256 which, among other things, approved and recognized MOSF as the owner and developer of the Big Four Mine, but maintained Mobil Oil Corporation's financial responsibility for the Big Four Mine until the Mine Operating Permit for the Big Four Mine was transferred to MOSF; and

WHEREAS, on May 22, 2001, the County adopted Resolution R01-104, which, among other things, transferred the Big Four Mine Operating Permit to MOSF; and

WHEREAS, on March 11, 2008, Hillsborough County Board of County Commissioners approved Resolution 08-047, which added approximately 1,540 acres to form the Hillsborough County Mines Addition Area -- DRI #263 (hereinafter "DRI #263 Addition Area Phase"); removed approximately 7,251.5 acres from the Lonesome and Four Corners Mine boundaries; added a mine infrastructure corridor, revising mining plans and incorporated clay settling area siting plans conceptually approved by the Environmental Protection Commission of Hillsborough County on April 26, 2005 and July 7, 2005, revised reclamation plans reflecting these changes as well as the reclamation already completed in the DRI #213 area; updated DRI #213 Development Order conditions already satisfied or no longer applicable; updated the approved methods for transporting product between the mines and plants; and updated product shipment destination points and deletion of certain destination points and route segments; and

WHEREAS, on August 10, 2010, Hillsborough County Board of County Commissioners approved Resolution 10-113, which added approximately 75 acres through a Notice of Proposed Change ("NOPC") for the Hillsborough County Mines Development of Regional Impact DRI #263, previously owned by Kathy Surface (hereinafter referred to as the "Surface Parcel"); and

WHEREAS, on November 7, 2023 the County approved MOSF's Financial Responsibility for the period 2023-2024 for Hillsborough County Mines, Big Four Mine and Hopewell Mine; and

WHEREAS, mining has been authorized at the Hillsborough County Mines, Big Four Mine and at Hopewell Mine by the County; and

WHEREAS, the Phosphate Mining Regulations Section 8.02.02.B.6. requires MOSF to enter into a contract with the Board of County Commissioners guaranteeing the performance of reclamation operations and the performance of its proposed settling or thickening pond dams, spillways or other outlet structures and establishing liquidated damages to be paid to the County in the event of any breach of said contract; and

WHEREAS, Section 8.02.10 of the Phosphate Mining Regulations requires the MOSF to provide the County with satisfactory evidence of financial responsibility; and

WHEREAS, the parties agree that the amount of financial responsibility shall be based upon the following schedule:

- (1) \$7,393 for each acre of land to be mined in the year following the anniversary date of the issuance of the Operating Permit, and
- (2) \$7,393 for each acre of land mined or previously covered by a settling or thickening pond and for which reclamation has not been completed as of the anniversary date of the issuance of the Operating Permit, and
- (3) \$370 for each mined acre of land within the first year after initial planting of permanent native and/or agricultural vegetation, and
- (4) \$7,393 for each acre of wetland mitigation subject to a specific Hillsborough County Environmental Protection Commission ("EPC") mitigation agreement wherein the specific success criteria contained in such mitigation agreement has not been satisfied as of the anniversary date of the issuance of the Operating Permit, and
- (5) \$1,000 for each acre-foot of storage (design capacity above the lowest outside toe elevation) expected to be contained in the largest active settling or thickening pond in the year following the anniversary date of the issuance of the Operating Permit.

WHEREAS, MOSF has provided satisfactory evidence of financial responsibility in the form of the: (1) Reclamation Surety Bond attached as Exhibit A, (2) Corporate Guarantee from The Mosaic Company, hereinafter referred to "MC" attached as Exhibit B, and (3) MOSF's Certificate of Insurance attached as Exhibit C; and

WHEREAS, the \$7,393 per acre in financial responsibility set forth in paragraphs (1), (2) and (4) in the preceding recital is based upon updates to the Land Development Code for Section 8.02.10 of the Phosphate Mining Regulations approved on October 24, 2019; and

WHEREAS, the County and MOSF find that in the event MOSF breaches this Agreement and actual damages cannot be determined, the estimation of liquidated damages, based upon the formula contained in the Phosphate Mining Regulations, and as modified herein, is a fair and reasonable method of approximation of damages.

NOW, THEREFORE, in consideration of the premises set forth above and the covenants, obligations, duties and benefits set forth herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, MOSF and the County, intending to be legally bound, hereby agree as follows:

- 1. The parties agree that the foregoing recitals are true and correct and incorporated herein by this reference.
- 2. The terms, conditions and regulations of Section 8.02.10 of the Phosphate Mining Regulations are hereby incorporated by reference and made part of this Agreement.
- 3. MOSF agrees to abide by the terms and conditions of the Development Orders, Operating Permits and Mining and Reclamation Plans, as amended and as may be amended in the future, (collectively referred to as "Mining Approvals") for its Hillsborough County Mines, Big Four Mine and Hopewell Mine, and to perform such actions as are required by the Mining Approvals. Nothing contained herein shall be construed to prohibit MOSF from applying to the County for changes or other amendments to the Mining Approvals.
- 4. The Mining Approvals obligate MOSF to perform reclamation. The Phosphate Mining Regulations include provisions regarding the responsibility of MOSF to complete reclamation and to respond to injuries suffered by the County or any injured party, for damages resulting from the failure of any MOSF dam, spillway or other outlet structure. MOSF hereby agrees to perform all reclamation and construction activities required under the Mining Approvals, and to be responsible for any damages suffered by the County or any injured party resulting from the failure of any dam, spillway or other outlet structure.
- 5. While the actual damages which might be sustained by the County as a result of MOSF's failure to abide by the terms of this Agreement may be difficult to ascertain, the parties shall attempt to ascertain such actual damages in-lieu-of payment of liquidated damages. If actual damages can be ascertained, MOSF agrees to pay any part of such actual damages as can be established with reasonable certainty, up to the total amount of the financial responsibility pledged hereby, \$149,069,471.

- 6. If actual damages cannot be established with reasonable certainty, then the liquidated damages are to be assessed, provided that the amount of liquidated damages shall not be excessive with regard to the amount of estimated actual damages suffered by the County. Liquidated damages for the failure of MOSF to perform reclamation in accordance with the terms of this Agreement shall be:
 - (a) \$7,393 for each mined acre not reclaimed through the initial planting of permanent native and/or agricultural vegetation as required by the Mining Approvals;
 - (b) \$370 for each mined acre within the first year after initial planting of permanent native and/or agricultural vegetation;
 - (c) \$7,393 for each acre of wetland mitigation specifically required by a mitigation agreement between MOSF and the EPC but not yet released by the EPC; and
 - (d) \$7,393 for each acre of land estimated to be mined during the 2024-2025 Mining Year.

Liquidated damages for the failure of any dam, spillway or other outlet structure shall be \$1,000 for each acre-foot of storage released from the specific structure, or settling or thickening pond where the failure occurred. MOSF hereby agrees to pay, if necessary, and the County hereby agrees to accept, such sum as liquidated damages.

- 7. For mining operation year 2024-2025, MOSF's total financial responsibility shall not exceed \$149,069,471, which represents MOSF's financial responsibility for the following (the following numbers are for the sum of the Hillsborough County Mines, Big Four Mine and Hopewell Mine):
 - (a) 12,653.7 acres mined and not reclaimed through the initial planting of permanent native and/or agricultural vegetation at \$7,393 per acre = \$93,548,804;
 - (b) 1140.6 acres in first year of establishment after the initial planting of permanent native and/or agricultural vegetation at \$370 per acre = \$422,022;
 - (c) 1,592.0 acres of EPC wetland mitigation that has been constructed but not yet released at \$7,393 per acre = \$11,769,656;
 - (d) 43,000 acre-feet of above grade storage capacity for the largest active clay settling area at \$1,000 per acre-foot = \$43,000,000; and
 - (e) 44.5 acres of land estimated to be mined during the 2024-2025 Mining Year at \$7,393 per acre = \$328,989.

- 8. MOSF has provided sufficient evidence of financial responsibility for each amount listed in paragraphs 7(a) through (e), above, as follows:
 - (a) MOSF has posted as Reclamation Surety Bond payable to Hillsborough County in the amount of \$94,299,815 toward satisfaction of its financial responsibility for the amount listed in paragraphs 7(a), (b), and (e). A copy of the Reclamation Surety Bond is attached hereto as Exhibit "A" and incorporated herein by reference;
 - (b) MC has issued a Corporate Guarantee to Hillsborough County in the amount of \$11,769,656 in satisfaction of the amount listed in paragraph 7(c). The Corporate Guarantee shall become effective and the prior year's Corporate Guarantee shall become null and void upon (i) execution of the MC 2024-2025 Corporate Guarantee by the County and (ii) surrender of the prior Corporate Guarantee from the County to MC. A copy of the current Corporate Guarantee is attached hereto as Exhibit "B" and incorporated herein by reference; and
 - (c) MOSF has purchased Environmental Insurance in the amount of \$43,000,000 as satisfaction of the financial responsibility listed in paragraph 7(d), above. A copy of the Environmental Insurance Policy is on file with the County and MOSF's Certificate of Insurance is attached hereto as Exhibit "C" and incorporated herein by reference.
 - 9. Each reporting year, after approval and acceptance by the County of MOSF's most recent Annual Reports for the Hillsborough County Mines, the Big Four Mine, and the Hopewell Mine, this Agreement shall be amended if necessary, to reflect the revised amount of financial responsibility for the following operating year, which amount shall be calculated pursuant to the terms of the Phosphate Mining Regulations.
 - 10. MOSF will cooperate with the County to the extent allowed by law to assure the County's preferred creditor status with respect to the obligations described in this Agreement.
 - 11. This Agreement is made in the State of Florida and shall be governed by Florida law. This is the entire agreement between the parties and may not be modified or amended except by a written document signed by the party against whom enforcement is sought. Hillsborough County, Florida, shall be proper venue for any litigation involving this Agreement.
 - 12. If any article, section, clause or provision of this Agreement is deemed or held invalid by any Court of competent jurisdiction, for any reason or cause, it shall not affect or invalidate the remainder of this Agreement nor any other provision hereof.

(This space intentionally left blank.)

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed and delivered as of the day and year first above written.

WHEREAS, on October 8, 1996, the County adopted Resolution No. 96-256 which, among other things, approved and recognized MOSF as the owner and developer of the Big Four Mine, but maintained Mobil Oil Corporation's financial responsibility for the Big Four Mine until the Mine Operating Permit for the Big Four Mine was transferred to MOSF; and

WHEREAS, on May 22, 2001, the County adopted Resolution No. R01-104, which, among other things, transferred the Big Four Mine Operating Permit to MOSF; and

product between the mines and plants; and updated product shipment destination points and deletion of certain destination points and route segments; and

WHEREAS, on August 10, 2010, Hillsborough County Board of County Commissioners approved Resolution 10-113, which added approximately 75 acres through a Notice of Proposed Change ("NOPC") for the Hillsborough County Mines Development of Regional Impact DRI #263, previously owned by Kathy Surface (hereinafter referred to as the "Surface Parcel"), and

WHEREAS, on November 7, 2024 the County approved MOSF's Financial Responsibility for the period 2023-2024 for Hillsborough County Mines, Big Four Mine and Hopewell Mine; and

WHEREAS, mining has been authorized at the Hillsborough County Mines, Big Four Mine and at Hopewell Mine by the County; and

WHEREAS, the Phosphate Mining Regulations Section 8.02.02.B.6. requires MOSF to enter into a contract with the Board of County Commissioners guaranteeing the performance of MOSF's reclamation operations and the performance of MOSF's proposed settling or thickening pond dams, spillways or other outlet structures, and establishing liquidated damages to be paid the County in the event of any breach of said contract; and

WHEREAS, Section 8.02.10 of the Phosphate Mining Regulations requires the MOSF to provide the County with satisfactory evidence of financial responsibility; and

WHEREAS, the County has agreed that MOSF may satisfy a portion of its financial responsibility through provision of this Corporate Guarantee from MC; and

WHEREAS, MC agrees to provide such Corporate Guarantee to meet a portion of MOSF's financial responsibility requirements as set forth herein.

NOW, THEREFORE, in consideration of the premises set forth above and the covenants, obligations, duties and benefits set forth herein, MC agrees as follows:

- 1. In consideration for the County's issuance to MOSF of authorization to proceed with mining operations pursuant to approved mining and reclamation plans, MC submits this Corporate Guarantee in the amounts set forth in section 3 below to satisfy a portion of MOSF's financial responsibility for its mining operations at the Hillsborough County Mines, Hopewell Mine, and Big Four Mine.
- 2. This Corporate Guarantee, not to exceed the amounts set forth in section 3 below, applies solely to the following obligations undertaken or incurred by MOSF under the approved Mining and Reclamation Plans for MOSF's Hillsborough County Mines, Hopewell Mine, and Big Four Mine, under the applicable County Phosphate Mining Regulations and under any written agreement between the County and MOSF regarding the matters listed below:
 - a) Costs and expenses to complete reclamation for any areas that MOSF is obligated to reclaim but does not reclaim under the approved Mining and Reclamation Plans; and

- b) Costs of cleanup of any pollutants released by failure of any settling or thickening pond, dam, spillway, or other outlet structure and for damages to public lands and waters caused thereby.
- 3. MC's obligations under this Corporate Guarantee shall be in an amount up to \$11,769,656. The amount shall be based upon the following calculation:
 - a) \$7,393 per acre at 1,592.0 acres of EPC wetland mitigation that has been constructed but not yet released = \$11,769,656.
- 4. This Corporate Guarantee is solely for the benefit of the County. There are no third-party beneficiaries of this Corporate Guarantee. The obligations of MC under this Corporate Guarantee may not be assigned without prior consent.
- 5. The remedies available to the County under this Corporate Guarantee are in addition to any other remedies available under local, state or federal law, regulation, or agreement. The promises made by MC shall not be interpreted to abrogate or limit any rights of MC or MOSF to assert available and appropriate defenses to the underlying obligations under applicable local, state or federal law, regulation, or agreement.
- 6. This Corporate Guarantee shall not be affected by the County's failure or delay to enforce any of its rights hereunder provided.
- 7. The obligations of MC under this Corporate Guarantee shall not be interpreted to abrogate or limit any rights of MC or MOSF to obtain subrogation or indemnity from any person, corporation or other entity. However, the exercise of any right of subrogation by MC shall not operate to delay or otherwise affect the enforcement of the County's right under this Corporate Guarantee.
- 8. This Corporate Guarantee shall become effective and the prior year's Corporate Guarantee shall become null and void upon (i) execution of the MC 2024-2025 Corporate Guarantee by the County and (ii) surrender of the prior Corporate Guarantee from the County to MC. Upon the submission and acceptance of MOSF's next Annual Report, a new Corporate Guarantee shall be submitted, if necessary, designating the amount computed for financial responsibility for the following operating year pursuant to the terms of the Phosphate Mining Regulations.
- 9. Amendments to this Corporate Guarantee can only occur in accordance with the terms of the Hillsborough County Land Development Code or by written agreement of the parties hereto.
- 10. This Agreement is made in the State of Florida and shall be governed by Florida Law. This is the entire agreement between the parties and may not be modified or amended except by a written document signed by the party against whom enforcement is sought. Hillsborough County, Florida, shall be proper venue for any litigation involving this Agreement.

11. If any article, section, clause or provision of this Agreement is deemed or held invalid by any Court of competent jurisdiction, for any reason or cause, it shall not affect or invalidate the remainder of this Agreement nor any other provision hereof.

IN WITNESS WHEREOF, MC has caused this Corporate Guarantee to be executed and delivered as of the day and year first above written.
