**Staff's Recommended Board Motion:**  
 Approve the attached resolution and covenant granting an historic preservation property tax exemption for improvements made to the single-family dwelling located at 602 E. Frances Avenue in the Tampa Heights Local Historic District (Folio 191231.0000). The estimated FY 21 loss of ad valorem tax revenue will be approximately \$1,572.31.

**Financial Impact Statement:**  
 The estimated FY 21 loss of ad valorem tax revenue will be approximately \$1,572.31.

**Background:**  
 The attached tax exemption application has been submitted by the City of Tampa Architectural Review Commission pursuant to Hillsborough County's Historic Property Tax Exemption Ordinance (#93-7), as amended (Sec. 46-66 et seq., Hillsborough County Code of Ordinances). This Ordinance (attached) provides an exemption from Hillsborough County ad valorem taxes to owners of historic properties that have completed rehabilitation or renovation projects that meet approved guidelines. The exemption is for 100% of the assessed value of the historically significant improvements and is for a 10-year period beginning on January 1<sup>st</sup> of the year following the substantial completion of the improvements. In the subject case, the reported project completion date was May 26, 2020. Therefore, the tax exemption will be for the period beginning January 1, 2021, and ending December 31, 2030. The taxable value of the improvements will be determined by the Property Appraiser.

If the taxable value of the historically significant improvements to the building is the estimated cost (\$250,000) reported on Page 1, Section 3, Part II – Post Rehabilitation, City of Tampa Historic Property Ad Valorem Tax Exemption Application, the estimated FY 21 loss of ad valorem tax revenue will be:

Countywide	\$ 1432.73
Library	\$ 139.58
<b>Total</b>	<b>\$ 1572.31</b>

As the local reviewing entity designated to certify that the project meets the requirements of the tax abatement ordinance, the Architectural Review Commission reviewed the application and found that it meets the criteria of the ordinance as stated in the attached resolution. According to the tax exemption application, an estimated total of \$300,000 was expended in the restoration of the bungalow-style dwelling, constructed 1908, of which \$250,000 was spent on historically significant improvements.

RE: ARC T20-01, ad Valorem Tax Exemption Application, Part II/Complete  
602 E. Frances Avenue

Dear Ms. Perry:

The Architectural Review Commission (ARC) reviewed the referenced ad Valorem Tax Exemption Application at its meeting of August 5, 2020. Through exhibits and testimony, the applicant demonstrated that the original features of the structure were preserved and that modifications to the property are compatible with its historic character. The ARC voted to approve this application based on the fact the proposed project is consistent with the "Secretary of Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings" and to recommend the tax exemption to the City of Tampa City Council and the Hillsborough County Board of County Commissioners.

Your complete application has been sent to the City of Tampa City Attorney's Office, the Hillsborough County Development Services Department, and the Hillsborough County Property Appraiser's Office.

The ARC action is limited to recommendation for ad Valorem Tax Exemptions, issuance of a Certificate of Appropriateness, and, if applicable, granting specific variances. The owner and/or agent are independently responsible to obtain any other appropriate permits and/or approval required. Please contact the proper entity for specific requirements.

Please let me know if you have any questions or need assistance.

Sincerely,

Dennis W. Fernandez

DIVISION 4. - HISTORIC PROPERTY TAX EXEMPTION

Sec. 46-66. - Intent and purpose.

It is the intent of the Board of County Commissioners of Hillsborough County to promote ad valorem tax exemptions for historic properties which meet the criteria of this division and, in so doing, foster the preservation and renovation of historic properties in the County to enhance the quality of life for all citizens of the County.

(Ord. No. 98-50, § I, 10-28-1998)

Sec. 46-67. - Title.

This division shall be known as the "Historic Property Tax Exemption Ordinance."

(Ord. No. 98-50, § II, 10-28-1998)

Sec. 46-68. - Property eligible for tax exemption.

- (a) The following properties in Hillsborough County are qualified to be considered for ad valorem tax exemption:
- (1) Property individually listed in the National Register of Historic Places pursuant to the National Historic Preservation Act of 1966;
  - (2) A contributing property to a National Register listed district; or
  - (3) Property designated as a historic property, or as a contributing property to a historic district, by the historic preservation regulations found in the County's historic preservation regulations, or in the historic preservation regulations of any municipality in the County.
- (b) The local historic preservation office in the jurisdiction of the local government shall certify to the Board of County Commissioners that the property for which an exemption is requested satisfies Subsection (a) of this section.

(Ord. No. 98-50, § III, 10-28-1998)

Sec. 46-69. - Procedure of granting tax exemption.

- (a) Any person, firm or corporation that desires an ad valorem tax exemption must file an application with the Board of County Commissioners and include the following information:
- (1) The name of the property owner and the location of the historic property.
  - (2) If the exemption requested is for an improvement to property, a description of the improvements to real property for which an exemption is requested and the dates of commencement and completion of construction of such improvements.
  - (3) Proof, to the satisfaction of the local historic preservation office that the property that is to be rehabilitated or renovated is a historic property.
  - (4) Proof, to the satisfaction of the local historic preservation office that the improvements to the property will be consistent with the United States Secretary of Interior's Standards for

Rehabilitation and will be made in accordance with guidelines developed by the Department of State.

- (5) Other information deemed necessary by the Department of State.
- (b) The Board of County Commissioners shall deliver a copy of each application for a historic preservation ad valorem tax exemption to the Property Appraiser of the County. Upon certification of the assessment roll or recertification, if applicable, pursuant to F.S. § 193.122, for each fiscal year during which this division is in effect, the property appraiser shall report the following information to the local governing body:
- (1) The total taxable value of all property within the County or municipality for the current fiscal year.
  - (2) The total exempted value of all property in the County or municipality which has been approved to receive historic preservation ad valorem tax exemption for the current fiscal year.
- (c) The local historic preservation office shall review the application for tax exemption and provide to the Board of County Commissioners a written recommendation of either approval or denial of the application. The review by the local historic preservation office must be conducted in accordance with rules adopted by the Department of State. The recommendation and reasons for the recommendation must be provided to the applicant and the Board of County Commissioners prior to the decision of the Board of County Commissioners.
- (d) In order for an improvement to a historic property to qualify the property for an exemption, the improvement must:
- (1) Be consistent with the United States Secretary of Interior's Standards for Rehabilitation.
  - (2) Be determined by the local historic preservation office to meet criteria established by the Department of State.
- (e) The Board of County Commissioners may approve an application for tax exemption by resolution. Such exemption shall take effect on the January 1 following substantial completion of the improvement. The resolution approving the tax exemption shall contain:
- (1) The name of the owner and the address of the historic property for which the exemption is granted.
  - (2) The period of time for which the exemption will remain in effect and the expiration date of the exemption.
  - (3) A finding that the historic property meets the requirements of this section.
  - (4) A resolution approving or denying the tax exemption shall not be effective until 15 days after the Board of County Commissioners' action. Within ten days of the Board of County Commissioners' approval or denial of the tax exemption, the applicant may make a written request to the County Administrator for the scheduling of a public hearing to address the tax exemption. Notice of the public hearing shall be published in a newspaper of general circulation in Hillsborough County at least seven days prior to the hearing.
- (f) To qualify for an exemption, the property owner must enter into a covenant or agreement with the governing body for the term for which the exemption is granted. The form of the covenant or agreement must be established by the Department of State and must require that the character of the property, and the qualifying improvements to the property, be maintained during the period that the exemption is granted. The covenant or agreement shall be binding on the current property owner, transferees, and their heirs, successors, or assigns. Violation of the covenant or agreement results in the property owner being subject to the payment of the differences between the total amount of taxes which would have been due in March in each of the previous years in which the covenant or agreement was in effect had the property not received the exemption and the total amount of taxes actually paid in those years, plus interest on the difference calculated as provided in F.S. § 212.12(3).

(Ord. No. 98-50, § IV, 10-28-1998; Ord. No. 08-23, § III, 10-1-2008)

Sec. 46-70. - Ad valorem tax exemptions for improvements to historic property.

The Board of County Commissioners may authorize the exemption from ad valorem taxation of up to 100 percent of the assessed value of all improvements to historic properties which result from the restoration, renovation or rehabilitation of such properties. The exemption applies only to improvements to real property. In order for the property to qualify for the exemption, any such improvements must be made on or after the day this division is adopted (October 28, 1998).

(Ord. No. 98-50, § V, 10-28-1998)

Sec. 46-71. - Ad valorem tax exemptions for historic properties open to the public.

If an improvement qualifies a historic property for an exemption under Section 46-68 and the property is used for nonprofit or governmental purposes and is regularly and frequently open for the public's visitation, use and benefit, the Board of County Commissioners or the governing authority of the municipality by ordinance may authorize the exemption from ad valorem taxation of up to 100 percent of the assessed value of the property, as improved, if all other provisions of that section are complied with; provided, however, that the assessed value of the improvement must be equal to at least 50 percent of the total assessed value of the property as improved. The exemption applies only to real property to which improvements are made by or for the use of the existing owner. In order for the property to qualify for the exemption provided in this section, any such improvements must be made on or after the day the ordinance granting the exemption is adopted.

(Ord. No. 98-50, § VI, 10-28-1998)

Sec. 46-72. - Applicable taxes.

The tax exemptions allowed herein are only ad valorem taxes assessed by Hillsborough County. The exemptions do not apply to taxes levied for the payment of bonds or to taxes authorized by a vote of the electors pursuant to Section 9(b) or Section 2, Article VII of the Florida Constitution.

(Ord. No. 98-50, § VII, 10-28-1998)

Sec. 46-73. - Duration of tax exemption.

Any tax exemption granted by this division shall remain in effect for up to ten years regardless of any change in the authority of the County to grant such exemptions or any change in the ownership of the property. Improvements which qualified the property for an exemption must be maintained over the period for which the exemption is granted.

(Ord. No. 98-50, § VIII, 10-28-1998)

Sec. 46-74. - Severability.

It is the legislative intent of the Board of County Commissioners in adopting this division that all provisions hereof shall be liberally construed to protect and preserve the peace, health, safety, and general welfare of the inhabitants of the portion of Hillsborough County. It is the further intent of the Board of County Commissioners that this division shall stand, notwithstanding the invalidity of any section, phrase, sentence, or other part hereof, and that should any part of this division be held to be unconstitutional or invalid by a court of competent jurisdiction, such part shall be deemed a separate, distinct, and independent part, and such holding shall not be construed as affecting the validity of any of the remaining parts.
