Hi Carmen,

Please see Mr. McKnight's confirmation of the continuance to November below. I already followed up to explain the sign reposting fee and that we will have the sign reposted after payment. I let him know to be on the lookout for an email with the invoice to pay the reposting fee.

Yes that will be fine. Who do I contact to get the new sign?

Good Morning Daniel,

I believe Sam Ball has been working with you regarding some additional changes that were needed to the site plan for your outdoor paintball fields before the special use could move forward and had discussed that since we were passed the revised plan deadline for the October LUHO meeting, you would need to request to continue the case to the November LUHO meeting to allow time for the revised plan to be updated/submitted and reviewed. Sam is out for a few days, but I did not see a continuance request in the case file yet. Please confirm if you are requesting to continue your case to the November LUHO meeting. Since the November LUHO meeting is earlier in the month due to Thanksgiving, for any cases that are continuing to November we need to request the sign to be reposted with the updated date by today so it will be posted by the required deadlines.

Thank you,
