C. VACATION OF RIGHTS-OF-WAY, EASEMENTS, & PLATS

- C.1. Public Hearing - Vacating Petition V22-0001, by Alessandra Gallastegui and Thomas and Petra Alexander to vacate a portion of 15-foot wide unimproved platted public right-of-way, in Greater Carrollwood Northdale.**

Adopt a Resolution vacating a portion of 15-foot wide unimproved platted public right-of-way within the plat of Keystone Park Colony, as recorded in Plat Book 5, Page 55, of the public records of Hillsborough County, and being more particularly described in the Resolution. The petitioners, Alessandra Gallastegui and Thomas and Petra Alexander, have submitted this vacate request to join the two lots within Folio No. 16011-0000 that are bisected by the subject right-of-way. The proposed vacate area is located at 16213 Dew Drop Lane, within Folio No. 16011-0000, generally lying southwest of Hutchinson Road and east of Dew Drop Lane, in Greater Carrollwood Northdale, and consists of approximately 816 square feet (.02 acres). Reviewing departments, agencies, and utility providers have raised no objections to this request; however, Spectrum has requested the reservation of a utility easement over the proposed vacate area due to facilities located and maintained therein. The financial impact associated with this item consists of required advertising per statute, recording fees and processing, estimated to be less than \$175.00, which are paid by the Petitioners.

C.2. Public Hearing - Vacating Petition V21-0014, by Edith Sylvia Knox, as Trustee of the Knox Living Trust dated August 8, 2008 to vacate a portion of 50-foot wide unimproved platted public right-of-way, in Plant City for more efficient farming operations

Adopt a Resolution vacating a portion of 50-foot wide unimproved platted public right-of-way within the plat of the Subdivision of SE ¼ of Section 1 and of NE ¼ of Section 12 Township 29 S. Range 22 E, as recorded in Plat Book 6, Page 46, of the public records of Hillsborough County, and being more particularly described in the Resolution. The petitioner, Edith Sylvia Knox, as Trustee of the Knox Living Trust dated August 8, 2008, has submitted this vacate request to create one contiguous property for more efficient farming operations. The proposed vacate area is located at 3010 South Wiggins Road, within Folio No. 91020-0000, generally lying south of Medulla Road, west of South County Line Road, and north of Ralston Road, in Plant City, and consists of approximately 49,500 square feet (1.14 acres). Reviewing departments, agencies, and utility providers have raised no objections to this request; however, Tampa Electric Company has requested the reservation of an easement over a portion of the vacate area due to an overhead primary line located and maintained therein. The County has received objections from six neighboring property owners who object to the vacating on the basis that it could lead to the property being redeveloped into a warehouse in the future and could harm their property values. The Planning Commission review has indicated no adverse impacts as the future land use of the property is Residential-1. The financial impact associated with this item consists of required advertising per statute, recording fees and processing, estimated to be less than \$175.00, Which are paid by the Petitioners.

I.2. Approve the Florida Department of Transportation Public Transportation Grant Agreement for the Intercity Cross Bay Ferry

Approve the three-year grant agreement with the Florida Department of Transportation (FDOT) to provide funding for the operation of the Intercity Cross Bay Ferry (ICBF), totaling \$518,000 for FY23, FY24, and FY25. The ICBF had 62,017 riders in FY22 between Tampa and St. Petersburg over 7-1/2 months and ridership is expected to increase as the Ferry expands to year-round service (projected FY25). The FDOT funding will reduce the subsidies proportionally among the governments who participate in the FY23-FY25 Hillsborough County Inter-City Ferry Service Interlocal Agreement (Interlocal). In FY22, Hillsborough County, Pinellas County, City of Tampa, and City of St. Petersburg (Partners) split the operating cost subsidy equally. The Partners are currently negotiating new terms and participation levels for FY23-FY25. The FDOT grant is written with the flexibility for the grant funds to be split pursuant to any cost-sharing terms agreed to in the FY23-FY25 Interlocal. At current terms, with full equal participation of all four Partners, the FDOT grant would offset Hillsborough County’s 25% share of the total subsidy cost (\$190,000 in FY23, \$202,500 in FY24, and \$255,000 in FY25). As further explained in the background, final subsidy cost-sharing percentage for Hillsborough County will be dependent upon the FY23-FY25 Interlocal division of subsidy costs, and levels of participation may increase the amount Hillsborough pays proportionally.
