C. VACATION OF RIGHTS-OF-WAY, EASEMENTS, & PLATS

C.1. Public Hearing - Vacating Petition V21-0014, by Edith Sylvia Knox, as Trustee of the Knox Living Trust dated August 8, 2008 to vacate a portion of 50-foot wide unimproved platted public right-of-way, in Plant City for more efficient farming operations

Adopt a Resolution vacating a portion of 50-foot wide unimproved platted public right-of-way within the plat of the Subdivision of SE ¼ of Section 1 and of NE ¼ of Section 12 Township 29 S. Range 22 E, as recorded in Plat Book 6, Page 46, of the public records of Hillsborough County, and being more particularly described in the Resolution. The petitioner, Edith Sylvia Knox, as Trustee of the Knox Living Trust dated August 8, 2008, has submitted this vacate request to create one contiguous property for more efficient farming operations. The proposed vacate area is located at 3010 South Wiggins Road, within Folio No. 91020-0000, generally lying south of Medulla Road, west of South County Line Road, and north of Ralston Road, in Plant City, and consists of approximately 49,500 square feet (1.14 acres). Reviewing departments, agencies, and utility providers have raised no objections to this request; however, Tampa Electric Company has requested the reservation of an easement over a portion of the vacate area due to an overhead primary line located and maintained therein. The County has received objections from six neighboring property owners who object to the vacating on the basis that it could lead to the property being redeveloped into a warehouse in the future and could harm their property values. The Planning Commission review has indicated no adverse impacts as the future land use of the property is Residential-1. The financial impact associated with this item consists of required advertising per statute, recording fees and processing, estimated to be less than \$175.00, which are paid by the Petitioners.
