OFF-THE-AGENDA ITEM

1. Direct staff to draft an agreement for the acquisition by the County of Estuary Lakes Drive in accordance with the terms outlined in this item and bring the agreement for Board consideration at a future Land Use Meeting. Acquisition by the County would make Estuary Lakes Drive a public roadway and would create additional public connectivity between Falkenburg Road and Palm River Road, and the proposed agreement would provide for the addition of sidewalks to enhance safety for pedestrians and other non-motorized modes of travel.
