Subject: MM 24-0397 Continuance Request

Good Morning,

We have the pleasure of representing the property owner and applicant in connection with MM 24-0397, a Major Modification application for property in Hillsborough County near Hillsborough Avenue Double Branch Road (the "Application"). The Application is currently set to be heard by the Zoning Hearing Master ("ZHM") on June 17, 2024.

While our project's civil engineers and ecologist have been actively working with EPC to address their comments, there are still unresolved issues that need to be addressed.

As a result of the above, and on behalf of our client, we are requesting a continuance to the ZHM hearing date of July 22, 2024.

Thank you for your attention to this matter.

Addie Clark, P.E.
