Staff's Recommended Board Motion:
 Approve Mosaic Fertilizer, L.L.C.'s updated Financial Responsibility Agreement and authorize the Chair to execute the attached Financial Responsibility Agreement once executed by Mosaic Fertilizer, L.L.C. This is an annual recalculation of Mosaic's Financial Responsibility based on current rates of mining and reclamation. This Financial Responsibility Agreement protects the citizens of Hillsborough County from financial impacts of adverse environmental issue and or failure of the company to complete required reclamation activities. No County funds are required for this item.

Financial Impact Statement:
 No County funds are required for this item.

Background:
 The Hillsborough County Land Development Code (LDC) Section 8.02.10 requires that phosphate mining permittees furnish to the Board of County Commissioners evidence of financial responsibility in an amount based upon the costs to reclaim or restore all lands disturbed as a result of phosphate mining or processing activities. Such evidence of financial responsibility shall be in the form of financial statements, corporate guarantees, letters of credit, insurance, surety bonds or other financial instruments acceptable to the County. The amount of the financial responsibility is based on the total number of acres mined and expected to be mined in the coming year, the number of acres in first year of establishment after initial planting of permanent vegetation, per LDC Section 8.02.10.C.1 but not through written certification of completed reclamation under LDC Section 8.02.08.C.6, and the amount of storage (design capacity) of the largest active settling or thickening pond.

The attached Financial Responsibility Agreement has been reviewed by the Management & Budget Department and has been found to constitute satisfactory evidence of Mosaic's financial responsibility for the Big Four, the Hopewell, and the Hillsborough County Consolidated Mines, in accordance with the requirements of the LDC.

Within sixty (60) days of today's date, Mosaic shall execute and deliver the Financial Responsibility Agreement, attached hereto as Attachment 1, to Hillsborough County for execution by the Board Chair. All exhibits to the Financial Responsibility Agreement (i.e., Exhibit "A" – the Reclamation Surety Bond; Exhibit "B" – the Corporate Guarantee; and Exhibit "C" – the Environmental Insurance Policy

Certificate of Insurance) shall be issued or executed, respectively, and attached as exhibits to the Financial Responsibility Agreement.

List Attachments: Financial Responsibility Agreement by and between Mosaic Fertilizer, L.L.C. and Hillsborough County; Exhibit "A" – the Reclamation Surety Bond; Exhibit "B" – the Corporate Guarantee; and Exhibit "C" – the Environmental Insurance Policy Certificate of Insurance

Re: Mosaic Fertilizer, LLC – Hillsborough County Mines Financial Responsibility (2021)

Dear Mr. Greenwell:

Attached is Mosaic's draft financial responsibility for the Big Four, Hopewell, and Hillsborough County Consolidated Mines through June 30, 2021.

This comprehensive financial responsibility agreement in the total amount of \$136,347,626.20 includes (1) an Environmental Liability Insurance Policy in the minimum amount of \$43,000,000, (2) a Reclamation Surety Bond in the amount of \$83,689,546.20 and (3) a Corporate Guarantee from the Mosaic Company of Delaware in the amount of \$9,658,080.00 to cover the 1,520.0 acres of EPC wetland mitigation constructed but not yet released at \$6,354 per acre (per the Land Development Code (LDC) Text Amendment approved October 2019 and the December Week 1 2020 2.1 percent change in the Construction Cost Index as published by the Engineering News Record).

This proposal is made pursuant to Section 8.02.10 of the Hillsborough County Land Development Code (the "LDC"), whereas, Mosaic proposes to amend the Financial Responsibility Agreement and Corporate Guarantee, as detailed below:

1. Environmental Insurance Policy [No change] – continue coverage of any occurrence of sudden accidental pollution, in the amount of \$43,000,000. This number equals the \$1,000 per acre-foot of the above-grade storage and is based on the F-4 clay settling pond containing the largest volume (43,000 ac-ft) of above-grade stored clays in the County during this reporting period. *(NOTE: The current policy is valid through 10/22/2021 and is renewed annually. The renewal will be provided to the County on or before 10/22/2021.)*
2. Reclamation Surety Bond [Increase] - Proposed increase for the existing bond in the amount of \$83,328,755.20 to \$83,689,546.20 to cover the cost of reclamation of the lands currently mined and other estimated LDC liabilities, as outlined in this letter. The reclamation liability for this period includes lands currently mined and those areas that have been reclaimed through permanent re-vegetation per the LDC in the amount of

\$82,589,033.40. Additionally, projected mining for the 2021-2022 report period is also included in the existing bond in the amount of \$1,100,512.80.

3. Corporate Guarantee [Increase]. The projected Corporate Guarantee will be in the amount of \$9,658,080.00 for the 2021-2022 period to cover all the remaining financial responsibility, obligations stipulated by the current LDC.

Mosaic submits this package of securities to provide satisfactory evidence of financial responsibility and requests Hillsborough County to accept this information along with the Annual reports for Hopewell, Big Four and the Hillsborough County Consolidated Mines. This financial security proposal meets all the current Phosphate Mining Regulation requirements.

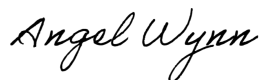

This package includes the following attachments in the order given below:

- 1.) Annual Report Financial Responsibility Summaries for Big Four, Hopewell and Hillsborough County Consolidated Mines;
- 2.) Updated Financial Responsibility agreement and Corporate Guarantee with the 2021-2022 Annual Report calculated responsibility for the County's review and approval.

The draft Financial Responsibility Agreement and Corporate Guarantee's will be finalized and executed by Mosaic upon acceptance by the County of this year's annual reports. Additionally, the Reclamation Surety Bond rider for Exhibit A will be provided once this draft document and financial assurance is approved by the County Board of County Commissioners (BOCC). In addition, the latest available financial statements and information can be downloaded or viewed at www.mosaicco.com under the category of Investors.

THIS AGREEMENT made and entered into this ____ day of _____, by and between Mosaic Fertilizer, LLC, a Delaware limited liability company, (successor in interest to Mosaic Phosphates Company, IMC Phosphates Company, IMC Agrico, and IMC Fertilizer, Inc.), hereinafter referred to as “MOSF”, and Hillsborough County, a political subdivision of the State of Florida, hereinafter referred to as “the County”.

WITNESSETH:

WHEREAS, on March 23, 1995, the County, relying upon Section 8.02.00 of Article 8 of the Hillsborough County Land Development Code (hereinafter referred to as the “Phosphate Mining Regulations”), adopted Resolution 95-062 approving MOSF’S Operating Permit and Master Mining and Reclamation Plan for the Hillsborough County Mines, a copy of which, as amended, is on file with the County and is incorporated herein by reference; and

WHEREAS, on June 23, 1982, the County approved Resolution 82-1 (Document 82-555) approving the Operating Permit and Master Mining and Reclamation Plan for MOSF’S Hopewell Mine, a copy of which, as amended, is on file with the County and is incorporated herein by reference; and

WHEREAS, on March 29, 1976, the County approved Development Order Resolution No. 75-13-DRI, Mine Operating Permit No. 75-Mine-3, including the Big Four Mine Mining and Reclamation Plan, and Rezoning Petition 75-189 for the Big Four Mine, copies of which, as amended, are on file with the County and are incorporated by reference; and

WHEREAS, on October 8, 1996, the County adopted Resolution No. 96-256 which, among other things, approved and recognized MOSF as the owner and developer of the Big Four Mine, but maintained Mobil Oil Corporation’s financial responsibility for the Big Four Mine until the Mine Operating Permit for the Big Four Mine was transferred to MOSF; and

WHEREAS, on May 22, 2001, the County adopted Resolution R01-104, which, among other things, transferred the Big Four Mine Operating Permit to MOSF; and

WHEREAS, on March 11, 2008, Hillsborough County Board of County Commissioners approved Resolution 08-047, which added approximately 1,540 acres to form the Hillsborough County Mines Addition Area -- DRI #263 (hereinafter "DRI #263 Addition Area Phase"); removed approximately 7,251.5 acres from the Lonesome and Four Corners Mine boundaries; added a mine infrastructure corridor, revising mining plans and incorporated clay settling area siting plans conceptually approved by the Environmental Protection Commission of Hillsborough County on April 26, 2005 and July 7, 2005, revised reclamation plans reflecting these changes as well as the reclamation already completed in the DRI #213 area; updated DRI #213 Development Order conditions already satisfied or no longer applicable; updated the approved methods for transporting product between the mines and plants; and updated product shipment destination points and deletion of certain destination points and route segments ; and

WHEREAS, on August 10, 2010, Hillsborough County Board of County Commissioners approved Resolution 10-113, which added approximately 75 acres through a Notice of Proposed Change ("NOPC") for the Hillsborough County Mines Development of Regional Impact DRI #263, previously owned by Kathy Surface (hereinafter referred to as the "Surface Parcel"); and

WHEREAS, on February 9, 2021 the County approved the Annual reports for the Hillsborough County Mines, Big Four Mine and Hopewell Mine, and also approved MOSF's Financial Responsibility for the period 2021-2022, and

WHEREAS, mining has been authorized at the Hillsborough County Mines, Big Four Mine and at Hopewell Mine by the County; and

WHEREAS, the Phosphate Mining Regulations Section 8.02.02.B.6. requires MOSF to enter into a contract with the Board of County Commissioners guaranteeing the performance of reclamation operations and the performance of its proposed settling or thickening pond dams, spillways or other outlet structures and establishing liquidated damages to be paid to the County in the event of any breach of said contract; and

WHEREAS, Section 8.02.10 of the Phosphate Mining Regulations requires the MOSF to provide the County with satisfactory evidence of financial responsibility; and

WHEREAS, the parties agree that the amount of financial responsibility shall be based upon the following schedule:

- (1) \$6,354.00 for each acre of land to be mined in the year following the anniversary date of the issuance of the Operating Permit, and
- (2) \$6,354.00 for each acre of land mined or previously covered by a settling or thickening pond and for which reclamation has not been completed as of the anniversary date of the issuance of the Operating Permit, and
- (3) \$318.00 for each mined acre of land within the first year after initial planting of permanent native and/or agricultural vegetation, and
- (4) \$6,354.00 for each acre of wetland mitigation subject to a specific Hillsborough County Environmental Protection Commission ("EPC") mitigation agreement wherein the specific success criteria contained in such mitigation agreement has not been satisfied as of the anniversary date of the issuance of the Operating Permit, and
- (5) \$1,000.00 for each acre-foot of storage (design capacity above the lowest outside toe elevation) expected to be contained in the largest active settling or thickening pond in the year following the anniversary date of the issuance of the Operating Permit.

WHEREAS, MOSF has provided satisfactory evidence of financial responsibility in the form of the : (1) Reclamation Surety Bond attached as Exhibit A, (2) Corporate Guarantee from The Mosaic Company, hereinafter referred to “MC” attached as Exhibit B, and (3) MOSF’s Certificate of Insurance attached as Exhibit C; and

WHEREAS, the \$6,354.00 per acre in financial responsibility set forth in paragraphs (1), (2) and (4) in the preceding recital is based upon updates to the Land Development Code for Section 8.02.10 of the Phosphate Mining Regulations approved on October 24, 2019.

WHEREAS, the County and MOSF find that in the event MOSF breaches this Agreement and actual damages cannot be determined, the estimation of liquidated damages, based upon the formula contained in the Phosphate Mining Regulations, and as modified herein, is a fair and reasonable method of approximation of damages.

NOW, THEREFORE, in consideration of the premises set forth above and the covenants, obligations, duties and benefits set forth herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, MOSF and the County, intending to be legally bound, hereby agree as follows:

1. The parties agree that the foregoing recitals are true and correct and incorporated herein by this reference.
2. The terms, conditions and regulations of Section 8.02.10 of the Phosphate Mining Regulations are hereby incorporated by reference and made part of this Agreement.
3. MOSF agrees to abide by the terms and conditions of the Development Orders, Operating Permits and Mining and Reclamation Plans, as amended and as may be amended in the future, (collectively referred to as “Mining Approvals”) for its Hillsborough County Mines, Big Four Mine and Hopewell Mine, and to perform such actions as are required by the Mining Approvals. Nothing contained herein shall be construed to prohibit MOSF from applying to the County for changes or other amendments to the Mining Approvals.
4. The Mining Approvals obligate MOSF to perform reclamation. The Phosphate Mining Regulations include provisions regarding the responsibility of MOSF to complete reclamation and to respond to injuries suffered by the County or any injured party, for damages resulting from the failure of any MOSF dam, spillway or other outlet structure. MOSF hereby agrees to perform all reclamation and construction activities required under the Mining Approvals, and to be responsible for any damages suffered by the County or any injured party resulting from the failure of any dam, spillway or other outlet structure.
5. While the actual damages which might be sustained by the County as a result of MOSF’s failure to abide by the terms of this Agreement may be difficult to ascertain, the parties shall attempt to ascertain such actual damages in-lieu-of payment of liquidated damages. If actual damages can be ascertained, MOSF agrees to pay any part of such actual damages as can be established with reasonable certainty, up to the total amount of the financial responsibility pledged hereby, \$136,347,626.20.

6. If actual damages cannot be established with reasonable certainty, then the liquidated damages are to be assessed, provided that the amount of liquidated damages shall not be excessive with regard to the amount of estimated actual damages suffered by the County. Liquidated damages for the failure of MOSF to perform reclamation in accordance with the terms of this Agreement shall be:
 - (a) \$6,354.00 for each mined acre not reclaimed through the initial planting of permanent native and/or agricultural vegetation as required by the Mining Approvals;
 - (b) \$318.00 for each mined acre within the first year after initial planting of permanent native and/or agricultural vegetation;
 - (c) \$6,354.00 for each acre of wetland mitigation specifically required by a mitigation agreement between MOSF and the EPC but not yet released by the EPC; and
 - (d) \$6,354.00 for each acre of land estimated to be mined during the 2021-2022 Mining Year.

Liquidated damages for the failure of any dam, spillway or other outlet structure shall be \$1,000.00 for each acre-foot of storage released from the specific structure, or settling or thickening pond where the failure occurred. MOSF hereby agrees to pay, if necessary, and the County hereby agrees to accept, such sum as liquidated damages.

7. For mining operation year 2021-2022, MOSF's total financial responsibility shall not exceed \$136,347,626.20, which represents MOSF's financial responsibility for the following (the following numbers are for the sum of the Hillsborough County Mines, Big Four Mine and Hopewell Mine):
 - (a) 12,988.1 acres mined and not reclaimed through the initial planting of permanent native and/or agricultural vegetation at \$6,354 per acre = \$82,526,387.40;
 - (b) 197.0 acres in first year of establishment after the initial planting of permanent native and/or agricultural vegetation at \$318 per acre = \$62,646.00;
 - (c) 1,520.0 acres of EPC wetland mitigation that has been constructed but not yet released at \$6,354 per acre = \$9,658,080.00;
 - (d) 43,000 acre-feet of above grade storage capacity for the largest active clay settling area at \$1,000 per acre-foot = \$43,000,000.00; and
 - (e) 173.2 acres of land estimated to be mined during the 2021-2022 Mining Year at \$6,354 per acre = \$1,100,512.80.

8. MOSF has provided sufficient evidence of financial responsibility for each amount listed in paragraphs 7(a) through (e), above, as follows:
 - (a) MOSF has posted as Reclamation Surety Bond payable to Hillsborough County in the amount of \$83,689,546.20 toward satisfaction of its financial responsibility for the amount listed in paragraphs 7(a), (b), and (e). A copy of the Reclamation Surety Bond is attached hereto as Exhibit "A" and incorporated herein by reference;
 - (b) MC has issued a Corporate Guarantee to Hillsborough County in the amount of \$9,658,080.00 in satisfaction of the amount listed in paragraph 7(c). The Corporate Guarantee shall become effective and the prior year's Corporate Guarantee shall become null and void upon (i) execution of the MC 2021-2022 Corporate Guarantee by the County and (ii) surrender of the prior Corporate Guarantee from the County to MC. A copy of the current Corporate Guarantee is attached hereto as Exhibit "B" and incorporated herein by reference; and
 - (c) MOSF has purchased Environmental Insurance in the amount of \$43,000,000.00 as satisfaction of the financial responsibility listed in paragraph 7(d), above. A copy of the Environmental Insurance Policy is on file with the County and MOSF's Certificate of Insurance is attached hereto as Exhibit "C" and incorporated herein by reference.
9. Each reporting year, after approval and acceptance by the County of MOSF's most recent Annual Reports for the Hillsborough County Mines, the Big Four Mine, and the Hopewell Mine, this Agreement shall be amended if necessary, to reflect the revised amount of financial responsibility for the following operating year, which amount shall be calculated pursuant to the terms of the Phosphate Mining Regulations.
10. MOSF will cooperate with the County to the extent allowed by law to assure the County's preferred creditor status with respect to the obligations described in this Agreement.
11. This Agreement is made in the State of Florida and shall be governed by Florida law. This is the entire agreement between the parties and may not be modified or amended except by a written document signed by the party against whom enforcement is sought. Hillsborough County, Florida, shall be proper venue for any litigation involving this Agreement.
12. If any article, section, clause or provision of this Agreement is deemed or held invalid by any Court of competent jurisdiction, for any reason or cause, it shall not affect or invalidate the remainder of this Agreement nor any other provision hereof.

(This space intentionally left blank.)

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed and delivered as of the day and year first above written.

- b) Costs of cleanup of any pollutants released by failure of any settling or thickening pond, dam, spillway, or other outlet structure and for damages to public lands and waters caused thereby.
3. MC's obligations under this Corporate Guarantee shall be in an amount up to \$9,658,080.00. The amount shall be based upon the following calculation:
 - a) \$6,354.00 per acre at 1,520.0 acres of EPC wetland mitigation that has been constructed but not yet released = \$9,658,080.00.
4. This Corporate Guarantee is solely for the benefit of the County. There are no third-party beneficiaries of this Corporate Guarantee. The obligations of MC under this Corporate Guarantee may not be assigned without prior consent.
5. The remedies available to the County under this Corporate Guarantee are in addition to any other remedies available under local, state or federal law, regulation, or agreement. The promises made by MC shall not be interpreted to abrogate or limit any rights of MC or MOSF to assert available and appropriate defenses to the underlying obligations under applicable local, state or federal law, regulation, or agreement.
6. This Corporate Guarantee shall not be affected by the County's failure or delay to enforce any of its rights hereunder provided.
7. The obligations of MC under this Corporate Guarantee shall not be interpreted to abrogate or limit any rights of MC or MOSF to obtain subrogation or indemnity from any person, corporation or other entity. However, the exercise of any right of subrogation by MC shall not operate to delay or otherwise affect the enforcement of the County's right under this Corporate Guarantee.
8. This Corporate Guarantee shall become effective and the prior year's Corporate Guarantee shall become null and void upon (i) execution of the MC 2021-2022 Corporate Guarantee by the COUNTY and (ii) surrender of the prior Corporate Guarantee from the COUNTY to MC. Upon the submission and acceptance of MOSF's next Annual Report, a new Corporate Guarantee shall be submitted, if necessary, designating the amount computed for financial responsibility for the following operating year pursuant to the terms of the Phosphate Mining Regulations.
9. Amendments to this Corporate Guarantee can only occur in accordance with the terms of the Hillsborough County Land Development Code or by written agreement of the parties hereto.
10. This Agreement is made in the State of Florida and shall be governed by Florida Law. This is the entire agreement between the parties and may not be modified or amended except by a written document signed by the party against whom enforcement is sought. Hillsborough County, Florida, shall be proper venue for any litigation involving this Agreement.

11. If any article, section, clause or provision of this Agreement is deemed or held invalid by any Court of competent jurisdiction, for any reason or cause, it shall not affect or invalidate the remainder of this Agreement nor any other provision hereof.

Commercial Umbrella Liability Policy with CrisisResponse®

**Named Peril and Time Element Pollution
Self-Insured Retention Endorsement
(Products-Completed Operations Hazard Version)**

This policy is amended as follows:

Section V. EXCLUSIONS, Paragraph Q. **Pollution** is deleted in its entirety and replaced by the following:

Pollution

This insurance does not apply to:

1. Any **Bodily Injury, Property Damage** or **Personal Injury and Advertising Injury** arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of **Pollutants** anywhere at any time;
2. Any loss, cost or expense arising out of any request, demand, order or statutory or regulatory requirement that the **Insured** or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of **Pollutants**; or
3. Any loss, cost or expense arising out of any claim or **Suit** by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of **Pollutants**.

However, Paragraph 1 of this exclusion will not apply to **Bodily Injury** or **Property Damage** arising out of:

- i. Any discharge, dispersal, seepage, migration, release or escape of **Pollutants** directly or indirectly caused by fire, explosion, lightning, windstorm, vandalism or malicious mischief, riot or civil commotion, flood, earthquake, automatic sprinkler leakage, collision or upset of a railcar or an **Auto** or **Mobile Equipment** or aircraft; or
- ii. Any discharge, dispersal, seepage, migration, release or escape of **Pollutants** and included within the **Products-Completed Operations Hazard** provided that **Your Product** or **Your Work** has not at any time been:
 - (a) discarded, dumped, abandoned, thrown away; or
 - (b) transported, handled, stored, treated, disposed of or processed as waste;by anyone; or

- iii. Any discharge, dispersal, seepage, migration, release or escape of **Pollutants** that meets all of the following conditions:
 - (a) It was accidental and neither expected nor intended by the **Insured**. This condition would not serve to deny coverage for a non-routine incident where such discharge, dispersal, seepage, migration, release or escape of **Pollutants** was a result of an attempt by the **Insured** to mitigate or avoid a situation where substantial third party **Bodily Injury** or **Property Damage** could occur;
 - (b) It was demonstrable as having commenced on a specific date during the **Policy Period**;
 - (c) Its commencement became known to the **Insured** within twenty (20) calendar days;
 - (d) Its commencement was reported in writing to us within eighty (80) calendar days of becoming known to any officer of the **Insured**; any manager in your risk management, insurance or legal department; any employee who was authorized by you to give or receive notice of an **Occurrence**, claim or **Suit**; or any **Insured** authorized or responsible to report the commencement; and
 - (e) Reasonable effort was expended by the **Insured** to terminate the discharge, dispersal, seepage, migration, release or escape of **Pollutants** as soon as conditions permitted; or
- iv. **Bodily Injury** sustained within a building and caused by smoke, fumes, vapor or soot produced by or originating from equipment that is used to heat, cool or dehumidify the building, or equipment used to heat water for personal use, by the building's occupants or their guests.

However, nothing contained in this endorsement will operate to provide any coverage with respect to:

- i. Any site or location principally used by the **Insured**, or by others on the **Insured's** behalf, for the handling, storage, disposal, dumping, processing or treatment of waste material, however, for **Bodily Injury** or **Property Damage** arising out of subparagraph iii above, this provision i. will not apply to clay settling ponds, salt tailings, tailing ponds, or gyp stacks;
- ii. Any fines or penalties;
- iii. Any clean up loss, cost or expense arising out of any governmental request, demand, order or statutory or regulatory requirement. However, this provision iii will not apply to third party clean up loss, cost or expense otherwise covered by this endorsement that are also the subject of a governmental request, demand, order or statutory or regulatory requirement;
- iv. Acid rain or acid runoff; however, nothing in this Clause shall exclude coverage for liability arising out of the **Insured's** phosphate operations that meet the criteria of the clauses outlined in this Endorsement within the periods specified herein, including knowledge to the **Insured** within twenty (20) days and reported in writing within eighty (80) days;
- v. Clean-up, removal, containment, treatment, detoxification or neutralization of **Pollutants** situated on premises which the **Insured** owns, rents or occupies at the time of the actual discharge, dispersal, seepage, migration, release or escape of said **Pollutants**; or

- vi. Any **Bodily Injury, Property Damage or Personal Injury and Advertising Injury**, or any loss, cost or expense arising out of any discharge, dispersal, seepage, migration, release or escape of **Pollutants** in knowing violation of or non compliance with governmental permits.

For the purpose of this endorsement only, the **SELF-INSURED RETENTION** in **ITEM 5**. of the **DECLARATIONS**, is amended to include the following additional provision:

US\$ 3,000,000 Each **Occurrence** (General Liability – USA and Canada) (As respects all damages arising out of any discharge, dispersal, seepage, migration, release or escape of **Pollutants** covered under this endorsement). This **Self-Insured Retention** will not be reduced by **Defense Expenses**.

US\$ 1,000,000 Each **Occurrence** (Foreign General Liability – excluding USA, Canada, Brazil and Peru) (As respects all damages arising out of any discharge, dispersal, seepage, migration, release or escape of **Pollutants** covered under this endorsement). This **Self-Insured Retention** will not be reduced by **Defense Expenses**.

US\$ 20,000,000 Each **Occurrence** (General Liability – Brazil) (As respects all damages arising out of any discharge, dispersal, seepage, migration, release or escape of **Pollutants** covered under this endorsement). This **Self-Insured Retention** will not be reduced by **Defense Expenses**.

US\$ 5,000,000 Each **Occurrence** (General Liability – Peru) (As respects all damages arising out of any discharge, dispersal, seepage, migration, release or escape of **Pollutants** covered under this endorsement). This **Self-Insured Retention** will not be reduced by **Defense Expenses**.

US\$ 100,000,000 Each **Occurrence** for 21-40 seats / US\$ 50,000,000 Each **Occurrence** for 20 seats or less (Aircraft Liability) (As respects all damages arising out of any discharge, dispersal, seepage, migration, release or escape of **Pollutants** covered under this endorsement). This **Self-Insured Retention** will not be reduced by **Defense Expenses**.

US\$ 110,000,000 Each **Occurrence** (Watercraft Liability) (As respects all damages arising out of any discharge, dispersal, seepage, migration, release or escape of **Pollutants** covered under this endorsement). This **Self-Insured Retention** will not be reduced by **Defense Expenses**.

The above **Self-Insured Retention** applies whether or not there is any available **Scheduled Underlying Insurance** or **Other Insurance**. If there is **Scheduled Underlying Insurance** or **Other Insurance** applicable to a **Loss**, amounts received through such **Scheduled Underlying Insurance** or **Other Insurance** for payment of the **Loss** may be applied to reduce or exhaust the above **Self-Insured Retention** if such policies were purchased by the **Named Insured** to specifically apply as underlying insurance to this policy. However, in no event will amounts received through such **Scheduled Underlying Insurance** or **Other Insurance** for the payment of **Defense Expenses** reduce the above **Self-Insured Retention**.

For the purpose of this endorsement only, **Section III. DEFENSE PROVISIONS** Paragraphs A. and D. are deleted in their entirety and Paragraph A. is replaced by the following:

We will have no duty to defend any **Suit** against the **Insured** until the above **Self-Insured Retention** is exhausted by payment of **Loss**. We will, however, have the right, but not the duty, to participate in the defense of any **Suit** and the investigation of any claim to which this endorsement may apply. If we exercise this right, we will do so at our own expense.

For the purpose of this endorsement only, **Section VII. DEFINITIONS** is amended to include the following additional definition:

Defense Expenses means a payment allocated to defend a specific **Suit**, including but not limited to:

1. Attorneys' fees and all other investigation, loss adjustment and litigation expenses;
2. Premiums on bonds to release attachments;
3. Premiums on appeal bonds required by law to appeal any claim or **Suit**;
4. Court costs taxed against the **Insured** in any **Suit**;
5. Pre-judgment interest awarded against the **Insured**; and
6. Interest that accrues after entry of judgment.

All other terms, definitions, conditions, and exclusions of this policy remain unchanged.
