

Legislation Details

File #: 2022-0047

Type: Consent Agenda **Status:** Passed

In control: BOCC Land Use

On agenda: 4/12/2022 **Final action:** 4/12/2022

Title: Development Review Procedure Manual (DRPM) text amendment
Approve revisions to DRPM Sections 3 and 6.2.1 to 1) remove from the application submittal instructions outdated forms and references to those outdated forms; 2) update the application submittal requirements for Planned Developments to reflect changes in transportation review requirements, changes in electronic document submittal requirements and to include information required during the application review process that is presently not reflected in the current submittal requirements, and; 3) update the post application sufficiency review process to establish a more formalized review process for determining application sufficiency.
