Golf Course Potential Redevelopment (Time Certain 9:00 A.M)
--

On August 18, 2021, the Board of County Commissioners requested a report about golf courses
developed as part of residential communities and the status of any underlying development
entitlements. The potential of and the process required for redevelopment of a golf course will depend
on how the property on which it is located is zoned. Golf courses can be developed on land that is
either zoned to a standard zoning district or on land that is part of a planned development zoning (PD).
