1.0 APPLICATION SUMMARY

Applicant: Melva Rodriguez
FLU Category: LI
Service Area: Urban
Site Acreage: 0.68 acres
Community Plan Area: Town and Country
Overlay: None
Request: Rezone to M

Introduction Summary:

The applicant is requesting to rezone this property from AI to M for the purpose of open storage of vehicles. However, all M zoning district uses are proposed to be permitted.

Zoning:	Existing	Proposed
District(s)	AI	M
Typical General Use(s)	Agricultural-Industrial	Industrial/Manufacturing
Acreage	0.68 acres	0.68 acres
Density/Intensity	1 DU/GA	0.75 FAR
Mathematical Maximum*	0 DU	22,215.6 sq ft

*number represents a pre-development approximation

Development Standards:	Existing	Proposed
District(s)	AI	M
Lot Size / Lot Width	43,560 sq ft/ 150 ft wide	20,000 sq ft/ 100 ft wide
Setbacks/Buffering and Screening	50 ft front, 15 ft side, and 50 ft rear	30 ft front, Buffering and Screening for side and rear yards (use dependent)
Height	50 ft	110 ft

Additional Information:

PD Variation(s)	None requested as part of this application
Waiver(s) to the Land Development Code	

Planning Commission Recommendation:
Consistent

Development Services Recommendation:
Approvable

2.0 LAND USE MAP SET AND SUMMARY DATA

2.1 Vicinity Map

Context of Surrounding Area:

The property exists along the west side of Benjamin Rd. approximately half a mile southeast from the intersection of Waters Ave and the Veterans Expressway via right of way. The property is also just under 2 miles from the Tampa International Airport.

2.2 Future Land Use Map

Subject Site Future Land Use Category:

Light Industrial

Maximum Density/F.A.R.:

0.25 - 0.75 FAR

Typical Uses:

Agricultural, processing, manufacturing and assembly of materials including food products, storage, furniture or apparel manufacturing, packaging plants, wholesaling, storage of non hazardous materials, warehouse/ showrooms with retail sales (occupy no more than 20% of the principal use floor area), offices, research/corporate parks as the predominant and subordinate uses or services such as hotels, motels, restaurants, retail establishments and recreational facilities

5.0 IMPLEMENTATION RECOMMENDATIONS

5.1 Compatibility

The property is located in an area developed with/zoned for other high intensity uses; as such, rezoning this property to M brings it more in line with the surrounding zoning districts.

5.2 Recommendation

Staff finds the proposed rezoning Approvable.

6.0 PROPOSED CONDITIONS

N/A

Zoning Administrator Sign Off:

J. Brian Grady

SITE, SUBDIVISION AND BUILDING CONSTRUCTION IN ACCORDANCE WITH HILLSBOROUGH COUNTY SITE DEVELOPMENT PLAN & BUILDING REVIEW AND APPROVAL.

Approval of this re-zoning petition by Hillsborough County does not constitute a guarantee that the project will receive approvals/permits necessary for site development as proposed will be issued, nor does it imply that other required permits needed for site development or building construction are being waived or otherwise approved. The project will be required to comply with the Site Development Plan Review approval process in addition to obtain all necessary building permits for on-site structures.

AGENCY REVIEW COMMENT SHEET

TO: Zoning Technician, Development Services Department

DATE: 12/03/2025

REVIEWER: Sarah Rose, Senior Planner

AGENCY/DEPT: Transportation

PLANNING AREA/SECTOR: Town and Country

PETITION NO: RZ 26-0037

- ☐ This agency has no comments.
- ☒ This agency has no objection.
- ☐ This agency has no objection, subject to the listed or attached conditions.
- ☐ This agency objects for the reasons set forth below.

PROJECT SUMMARY AND ANALYSIS

The applicant is requesting to rezone one parcel totaling +/- .66 acres from Agricultural Industrial (AI) to Manufacturing (M). The site is located +/- 152ft north of the intersection of Bridle Path Ln and Benjamin Rd. The Future Land Use designation of the site is Light Industrial (LI).

Trip Generation Analysis

In accordance with the Development Review Procedures Manual (DRPM), no transportation analysis was required to process the proposed rezoning. Staff have prepared a comparison of the trips potentially generated under the existing and proposed zoning designations, utilizing a generalized worst-case scenario. Data presented below is based on the Institute of Transportation Engineer's *Trip Generation Manual, 12th Edition*.

Approved Uses:

Zoning, Land Use/Size	24 Hour Two-Way Volume	Total Peak Hour Trips	
		AM	PM
AI, Landscape Contractor's Nursery (ITE Code 180) 21,563sqft	212	36	42

Proposed Uses:

Zoning, Land Use/Size	24 Hour Two-Way Volume	Total Peak Hour Trips	
		AM	PM
M, Convenience Store with Gas Station ITE Code 945) 7,188sqft	3,226	239	228

Trip Generation Difference:

Zoning, Land Use/Size	24 Hour Two-Way Volume	Total Peak Hour Trips	
		AM	PM
Difference	+3,014	+203	+186

TRANSPORTATION INFRASTRUCTURE SERVING THE SITE

The site has frontage on Benjamin Rd, a 2-lane, undivided, substandard, rural county-maintained collector roadway. The roadway is characterized by +/- 11-foot-wide travel lanes. There are no bike lanes on either side of the roadway and +/- 5-foot-wide sidewalks along the eastern side of the roadway within the vicinity of the project. The roadway lies within a +/- 50ft right-of-way. Pursuant to the Hillsborough County Corridor Preservation Plan, Benjamin Rd. is designated as a future four lane roadway.

SITE ACCESS

It is anticipated that the site will have access to Benjamin Rd.

Generally, for projects with a Euclidean zoning designation, a project's potential transportation impacts, site access requirements, substandard road issues, site layout and design, other issues related to project access, and compliance with other applicable Hillsborough County Comprehensive Plan, Hillsborough County Land Development Code (LDC) and Hillsborough County Transportation Technical Manual (TTM) requirements are evaluated at the time of plat/site/construction plan review. Given the limited information available as is typical of all Euclidean zoned properties and/or non-regulatory nature of any conceptual plans provided, Transportation Review Section staff did review the proposed rezoning to determine (to the best of our ability) whether the zoning is generally consistent with applicable policies of the Hillsborough County Comprehensive Plan, LDC and TTM (e.g. to ensure that the proposed rezoning would not result in a violation of the requirement whereby access to commercial properties cannot be taken through residentially or agriculturally zoned properties), and/or whether, in staff's opinion, some reasonable level of development under the proposed zoning designation could be supported based on current access management standards (e.g. to ensure that a project was not seeking an intensification of a parcel which cannot meet minimum access spacing requirements).

Staff notes that the developer/property owner will be required to comply with all Comprehensive Plan, LDC, TTM and other applicable rules and regulations at the time of plat/site/construction plan review. As such, staff have no objection to this request.

Staff notes that any plans or graphics presented as a part of a Euclidean zoning case are non-binding and will have no regulatory value at the time of plat/site/construction plan review.

HILLSBOROUGH COUNTY
RECOMMENDATION OF THE LAND USE HEARING OFFICER

APPLICATION NUMBER:	RZ STD 26-0037
DATE OF HEARING:	December 15, 2025
APPLICANT:	Melva Rodriguez
PETITION REQUEST:	M
LOCATION:	7916 Benjamin Road
SIZE OF PROPERTY:	0.68 acres
EXISTING ZONING:	AI
FUTURE LAND USE CATEGORY:	LI
SERVICE AREA:	Urban
COMMUNITY PLANNING AREA:	Town and Country

SUMMARY OF APPLICATION

The application is a request to rezone an approximate 0.68 acre parcel located on the west side of Benjamin Road approximately 1,300 ft. south of the Waters Avenue/Benjamin Road intersection in the Town and Country area of Hillsborough County, from Agricultural Industrial (AI) to M.

The Benjamin Road corridor in the vicinity of the subject site is comprised of industrial and heavy commercial land uses and industrial zoning.

SUMMARY OF HEARING

The applicant representative, Melva Rodriguez, provided testimony in support of the request.

It was stated that the intent is to use the property for the parking/storage of trucks and other vehicles.

Development Services finds the rezoning request approvable.

The Planning Commission staff finds the proposed rezoning consistent with the Comprehensive Plan.

No one spoke in support or opposition at the hearing.

EVIDENCE SUBMITTED

The applicant representative, Malva Rodriguez, provided oral testimony supplementing the file on record.

FINDINGS OF FACT

The subject site is approximately 0.68 acres in size, is located on the west side of Benjamin Road approximately 1,300 ft. south of the Waters Avenue/Benjamin Road intersection in the Twon and Country area of Hillsborough County.

The parcel is bracketed by M zoning parcels to the north and south. Industrially zoned property is located directly across the street to the east.

The subject parcel is located within the Benjamin Road corridor, which from Hillsborough Avenue to the south and Waters Avenue to the north is comprised of industrial/warehouse type uses.

It is found that the proposed rezoning to Industrial (M) is compatible with the surrounding existing industrial related land uses and zoning pattern along Benjamin Road.

FINDINGS OF COMPLIANCE/NON-COMPLIANCE WITH THE HILLSBOROUGH COUNTY COMPREHENSIVE PLAN

The rezoning request is in compliance with and does further the intent of the Goals, Objectives and the Policies of the Future of Hillsborough Comprehensive Plan.

CONCLUSIONS OF LAW

Based on the Findings of Fact cited above, there is substantial competent evidence to demonstrate that the requested M rezoning is in conformance with the applicable requirements of the Land Development Code and with applicable zoning and established principles of zoning law

DECISION

Based on the foregoing, this recommendation is for **APPROVAL** of the M rezoning as indicated by the Findings of Fact and conclusions of Law stated above.

West	Light Industrial, Office Commercial-20, Community Mixed Use-12	AI, AS-1 + PD	Vacant, Light Commercial, Light Industrial, Heavy Industrial + Public/Quasi-Public/Institutions

Staff Analysis of Goals, Objectives, and Policies:

The 0.68 ± acre subject site is located north of Bridle Path Lane, south of Waters Avenue and west of Benjamin Road. The site is in the Urban Service Area (USA) and is located within the limits of the Town and Country Community Plan. The applicant is requesting to rezone the site from Agricultural Industrial (AI) to Manufacturing (M).

The subject site is in the Urban Service Area where, according to Objective 1.1 of the Future Land Use Section (FLUS), 80 percent of the county's growth is to be directed. The subject site is largely surrounded by the Light Industrial Future Land Use category and the Agricultural and Manufacturing zoning districts. The area is currently developed with higher intensity commercial and industrial uses within minimal residential uses. The commercial uses include a gas station, tire shop, car rental and repair, and open storage of commercial vehicles. The majority of residential uses are located west across the Veterans Expressway. The site is within and surrounded by the Light Industrial Future Land Use category, with Office Commercial-20. Research Corporate Park, and Urban Mixed Use-20 to the north of the site, and Office Commercial-20 and Community Mixed Use-12 to the west of the site.

FLUS Policy 3.1.3 requires all new developments to be compatible with the surrounding area, noting that "Compatibility does not mean 'the same as.' Rather, it refers to the sensitivity of development proposals

in maintaining the character of existing development.” Additionally, the Neighborhood Protection policies in the Future Land Use Section (FLUS) under Objective 4.4 and Policy 4.4.1 that requires new development to be compatible with the surrounding neighborhood. Given the current development pattern that consists mainly of higher intensity commercial and industrial uses, the proposed rezoning is compatible within the surrounding area and neighborhood character. Therefore, the rezoning request is consistent with all FLUS Objectives and Policies related to compatibility and neighborhood protection.

FLUS Goal 2 and FLUS Objective 2.1, and each of their respective policies, establish the Future Land Use Map (FLUM) as well as the allowable range of uses for each Future Land Use category. The character of each land use category is defined by building type, residential density, functional use, and the physical composition of the land. The integration of these factors sets the general atmosphere and character of each land use category. Each category has a range of potentially permissible uses, which are not exhaustive, but are intended to be illustrative of the character of uses permitted within the land use designation. The Light Industrial Future Land Use category allows for the consideration of agricultural, processing, manufacturing and assembly of materials including food products, storage, furniture or apparel manufacturing, packaging plants, wholesaling, storage of non hazardous materials, warehouse/showrooms with retail sales, offices, research/corporate parks as the predominant and subordinate uses or services such as hotels, motels, restaurants, retail establishments and recreational facilities. The Light Industrial Future Land Use category allows for a maximum of 0.75 FAR. With 0.68 acres, the subject site can be considered for up to 22,215 square feet (0.68 acres x 43,560 square feet = 29,620 square feet X 0.75 FAR = 22,215 square feet). The proposed rezoning is consistent with the uses allowed under the existing Future Land Use category and is consistent with FLUS Goal 2 and Objective 2.1.

The Comprehensive Plan requires that all development meet or exceed the land development regulations in Hillsborough County (FLUS Policy 4.1.1, 4.1.2, and 4.1.6). However, at the time of uploading this report, Hillsborough County Development Services Department and Transportation Division comments were not yet available in Optix and thus were not taken into consideration for analysis of this request.

FLUS Objective 3.2 and Policy 3.2.4 require community plans throughout the county to be consistent with the Comprehensive Plan. The site is within the limits of the Town and Country Community Plan. The vision statement of the Community Plan states, “We encourage redevelopment of our older commercial centers and desire a strong business sector that contributes to the community and provides meaningful employment opportunities”. The rezoning to allow for additional business within in compatible area will provide for additional opportunities to grow the industrial business sector and provide job opportunities within the community. The proposed rezoning aligns with the vision of the Town and Country Community Plan.

FLUS Goal 7 seeks to promote land use and development patterns which will promote employment and economic growth. With the current Future Land Use category and existing commercial and industrial development in the area paired with several vacant parcels of land, this proposed rezoning achieves the intent of Goal 7 by providing opportunity for economic growth in a target industry in an appropriate area of the County for the proposed uses.

Overall, staff finds that the proposed rezoning is compatible with the existing development pattern found within the surrounding area and supports the vision of the Town and Country Community Plan. The proposed rezoning would allow for development that is consistent with the Goals, Objectives and Policies of the *Unincorporated Hillsborough County Comprehensive Plan*.

Recommendation

Based upon the above considerations and the following Goals, Objectives and Policies, Planning Commission staff finds the proposed rezoning **CONSISTENT** with the *Unincorporated Hillsborough County Comprehensive Plan*.

Staff Identified Goals, Objectives and Policies of the *Unincorporated Hillsborough County Comprehensive Plan* Related to the Request:

FUTURE LAND USE SECTION

Urban Service Area

Objective 1.1: *Direct at least 80% of new population growth into the USA and adopted Urban expansion areas through 2045. Building permit activity and other similar measures will be used to evaluate this objective.*

Land Use Categories

Goal 2: *Ensure that the character, compatibility and location of land uses optimize the combined potential for economic benefit, fiscal sustainability, protection of natural resources and maintaining viable agriculture. Ensure density and intensities are maintained through the Future Land Use Map.*

Objective 2.1: *The Future Land Use Map is a regulatory tool governing the pattern of development in unincorporated Hillsborough County through the year 2045.*

Policy 2.1.1: *The Future Land Use Map shall identify Future Land Use categories, summarized in Table 2.2 and further described in Appendix A, that establish permitted land uses and maximum densities and intensities.*

Objective 2.2: *The Future Land Use Map (FLUM) Shall identify Land Use Categories, summarized in table 2.2 of the Future Land Use Element.*

Policy 2.2.1: *The character of each land use category is defined by building type, residential density, functional use, and the physical composition of the land. The integration of these factors sets the general atmosphere and character of each land use category. Each category has a range of potentially permissible uses which are not exhaustive, but are intended to be illustrative of the character of uses permitted within the land use designation. Not all of those potential uses are routinely acceptable anywhere within that land use category.*

Community Context and Compatibility

Policy 3.1.3: *Compatibility is defined as the characteristics of different uses or activities or design which allow them to be located near or adjacent to each other in harmony. Some elements affecting compatibility include the following: height, scale, mass and bulk of structures, pedestrian or vehicular traffic, circulation, access and parking impacts, landscaping, lighting, noise, odor and architecture. Compatibility does not mean “the same as.” Rather, it refers to the sensitivity of development proposals in maintaining the character of existing development.*

Objective 3.2: Hillsborough County is comprised of many diverse communities and neighborhoods. The comprehensive plan is effective in providing an overall growth management strategy for development within the entire County. Strategies shall be developed that ensure the long-range viability of its communities through a community and special area studies planning effort.

Relationship to Land Development Regulations

Policy 3.2.4: The County shall assist the Hillsborough County City-County Planning Commission in developing community plans for each planning area that are consistent with and further the Goals, Objectives and Policies of the Comprehensive Plan. The community plans will be adopted as part of the Comprehensive Plan in the Livable Communities Element. These community specific policies will apply in guiding the development of the community. Additional policies regarding community planning and the adopted community plans can be found in the Livable Communities Element

Development

Objective 4.1: All existing and future land development regulations shall be made consistent with the Comprehensive Plan, and all development approvals shall be consistent with those development regulations as per the timeframe provided for within Chapter 163, Florida Statutes. Whenever feasible and consistent with Comprehensive Plan policies, land development regulations shall be designed to provide flexible, alternative solutions to problems.

Policy 4.1.1: Each land use plan category shall have a set of zoning districts that may be permitted within that land use plan category, and development shall not be approved for zoning that is inconsistent with the plan.

Policy 4.1.2: Developments must meet or exceed the requirements of all land development regulations as established and adopted by Hillsborough County, the state of Florida and the federal government unless such requirements have been previously waived by those governmental bodies.

Policy 4.1.6: Existing and future land development regulations shall be made consistent with the Comprehensive Plan, and all development approvals shall be consistent with those development regulations per the timeframe provided for within Chapter 163, Florida Statutes. Whenever feasible and consistent with Comprehensive Plan policies, land development regulations shall be designed to provide flexible, alternative solutions to problems.

Neighborhood and Community Development

Objective 4.4: Neighborhood Protection – Enhance and preserve existing neighborhoods and communities. Design neighborhoods which are related to the predominant character of their surroundings.

Policy 4.4.1: Any density or intensity increases shall be compatible with existing, proposed or planned surrounding development. Development and redevelopment shall be integrated with the adjacent land uses through:

- a) the creation of like uses; and
- b) creation of complementary uses; and
- c) mitigation of adverse impacts; and
- d) transportation/pedestrian connections; and

e) Gradual transitions of intensity

Goal 7: *Seek land use and development patterns which will promote employment and economic growth.*

LIVABLE COMMUNITIES ELEMENT: TOWN AND COUNTRY COMMUNITY PLAN

Vision: *We the People of Town 'N Country cherish our location next to Tampa Bay, and advocate the creation of town centers that serve as a community gathering places. We support the expansion of protected lands, seek better connectivity in our trail networks, and endorse the creation of recreational opportunities for young and old alike.*

We encourage redevelopment of our older commercial centers and desire a strong business sector that contributes to the community and provides meaningful employment opportunities. We support non-residential construction in a pedestrian friendly, new urban design that contributes to the community's sense of place. We would like to see a reduction in traffic congestion, an increase in transit service and will take steps to improve the appearance and safety of our primary roadways.

We want the property values of our homes and businesses to increase. We desire proactive enforcement of housing and commercial codes. We are committed to strengthening our community and business associations to work together on furthering our common goals.

We will continue to be an urban community with citizens who have a strong sense of civic pride and are committed to improving our way of life.

PROJECT SUMMARY AND ANALYSIS

The applicant is requesting to rezone one parcel totaling +/- .66 acres from Agricultural Industrial (AI) to Manufacturing (M). The site is located +/- 152ft north of the intersection of Bridle Path Ln and Benjamin Rd. The Future Land Use designation of the site is Light Industrial (LI).

Trip Generation Analysis

In accordance with the Development Review Procedures Manual (DRPM), no transportation analysis was required to process the proposed rezoning. Staff have prepared a comparison of the trips potentially generated under the existing and proposed zoning designations, utilizing a generalized worst-case scenario. Data presented below is based on the Institute of Transportation Engineer's *Trip Generation Manual, 12th Edition*.

Approved Uses:

Zoning, Land Use/Size	24 Hour Two-Way Volume	Total Peak Hour Trips	
		AM	PM
AI, Landscape Contractor's Nursery (ITE Code 180) 21,563sqft	212	36	42

Proposed Uses:

Zoning, Land Use/Size	24 Hour Two-Way Volume	Total Peak Hour Trips	
		AM	PM
M, Convenience Store with Gas Station ITE Code 945) 7,188sqft	3,226	239	228

Trip Generation Difference:

Zoning, Land Use/Size	24 Hour Two-Way Volume	Total Peak Hour Trips	
		AM	PM
Difference	+3,014	+203	+186

TRANSPORTATION INFRASTRUCTURE SERVING THE SITE

The site has frontage on Benjamin Rd, a 2-lane, undivided, substandard, rural county-maintained collector roadway. The roadway is characterized by +/- 11-foot-wide travel lanes. There are no bike lanes on either side of the roadway and +/- 5-foot-wide sidewalks along the eastern side of the roadway within the vicinity of the project. The roadway lies within a +/- 50ft right-of-way. Pursuant to the Hillsborough County Corridor Preservation Plan, Benjamin Rd. is designated as a future four lane roadway.

SITE ACCESS

It is anticipated that the site will have access to Benjamin Rd.

Generally, for projects with a Euclidean zoning designation, a project's potential transportation impacts, site access requirements, substandard road issues, site layout and design, other issues related to project access, and compliance with other applicable Hillsborough County Comprehensive Plan, Hillsborough County Land Development Code (LDC) and Hillsborough County Transportation Technical Manual (TTM) requirements are evaluated at the time of plat/site/construction plan review. Given the limited information available as is typical of all Euclidean zoned properties and/or non-regulatory nature of any conceptual plans provided, Transportation Review Section staff did review the proposed rezoning to determine (to the best of our ability) whether the zoning is generally consistent with applicable policies of the Hillsborough County Comprehensive Plan, LDC and TTM (e.g. to ensure that the proposed rezoning would not result in a violation of the requirement whereby access to commercial properties cannot be taken through residentially or agriculturally zoned properties), and/or whether, in staff's opinion, some reasonable level of development under the proposed zoning designation could be supported based on current access management standards (e.g. to ensure that a project was not seeking an intensification of a parcel which cannot meet minimum access spacing requirements).

Staff notes that the developer/property owner will be required to comply with all Comprehensive Plan, LDC, TTM and other applicable rules and regulations at the time of plat/site/construction plan review. As such, staff have no objection to this request.

Staff notes that any plans or graphics presented as a part of a Euclidean zoning case are non-binding and will have no regulatory value at the time of plat/site/construction plan review.

AGENCY COMMENT SHEET

REZONING	
HEARING DATE: 12/15/2025	COMMENT DATE: 11/25/2025
PETITION NO.: 26-0037	PROPERTY ADDRESS: 7916 Benjamin Rd, Tampa, FL 33634
EPC REVIEWER: Melissa Yanez	FOLIO #: 0274180000
CONTACT INFORMATION: (813) 627-2600 x1360	STR: 30-28S-18E
EMAIL: yanezm@epchc.org	
REQUESTED ZONING: AI to M (Industrial)	
FINDINGS	
WETLANDS PRESENT	YES
SITE INSPECTION DATE	NA
WETLAND LINE VALIDITY	Wetland Survey valid until 2/14/2027
WETLANDS VERIFICATION (AERIAL PHOTO, SOILS SURVEY, EPC FILES)	Located on the western property line
The EPC Wetlands Division has reviewed the proposed rezoning. In the site plan's current configuration, a resubmittal is not necessary. If the zoning proposal changes and/or the site plans are altered, EPC staff will need to review the zoning again. This project as submitted is conceptually justified to move forward through the zoning review process as long as the following conditions are included: • Approval of this zoning petition by Hillsborough County does not constitute a guarantee that the Environmental Protection Commission of Hillsborough County (EPC) approvals/permits necessary for the development as proposed will be issued, does not itself serve to justify any impact to wetlands, and does not grant any implied or vested right to environmental approvals. • The construction and location of any proposed wetland impacts are not approved by this correspondence but shall be reviewed by EPC staff under separate application pursuant to the EPC Wetlands rule detailed in Chapter 1-11, Rules of the EPC, (Chapter 1-11) to determine whether such impacts are necessary to accomplish reasonable use of the subject property. • Prior to the issuance of any building or land alteration permits or other development, the approved wetland / other surface water (OSW) line must be incorporated into the site plan. The	

Environmental Excellence in a Changing World

Environmental Protection Commission - Roger P. Stewart Center
3629 Queen Palm Drive, Tampa, FL 33619 - (813) 627-2600 - www.epchc.org

wetland/ OSW line must appear on all site plans, labeled as "EPC Wetland Line", and the wetland must be labeled as "Wetland Conservation Area" pursuant to the Hillsborough County Land Development Code (LDC).

- Final design of buildings, stormwater retention areas, and ingress/egresses are subject to change pending formal agency jurisdictional determinations of wetland and other surface water boundaries and approval by the appropriate regulatory agencies.

INFORMATIONAL COMMENTS:

The following specific comments are made for informational purposes only and to provide guidance as to the EPC review process. However, future EPC staff review is not limited to the following, regardless of the obviousness of the concern as raised by the general site plan and EPC staff may identify other legitimate concerns at any time prior to final project approval.

- Chapter 1-11 prohibits wetland impacts unless they are necessary for reasonable use of the property. Staff of the EPC recommends that this requirement be taken into account during the earliest stages of site design so that wetland impacts are avoided or minimized to the greatest extent possible. The size, location, and configuration of the wetlands may result in requirements to reduce or reconfigure the improvements depicted on the plan.
- The Hillsborough County Land Development Code (LDC) defines wetlands and other surface waters as Environmentally Sensitive Areas. Pursuant to the LDC, wetlands and other surface waters are further defined as Conservation Areas or Preservation Areas and these areas must be designated as such on all development plans and plats. A minimum setback must be maintained around the Conservation/Preservation Area and the setback line must also be shown on all future plan submittals.
- Any activity interfering with the integrity of wetland(s) or other surface water(s), such as clearing, excavating, draining or filling, without written authorization from the Executive Director of the EPC or authorized agent, pursuant to Section 1-11.07, would be a violation of Section 17 of the Environmental Protection Act of Hillsborough County, Chapter 84-446, and of Chapter 1-11.

Agency Review Comment Sheet

NOTE: Wellhead Resource Protection Areas (WRPA), Potable Water Wellfield Protection Areas (PWWPA), and Surface Water Resource Protection Areas (SWRPA) reviews are based on the most current available data on the Hillsborough County maps, as set forth in Part 3.05.00 of the Land Development Code.

TO: Zoning Review, Development Services **REQUEST DATE:** 10/27/2025

REVIEWER: Kim Cruz, Environmental Supervisor **REVIEW DATE:** 11/7/2025

PROPERTY OWNER: Magnify Investments, Inc. **PID:** 26-0037

APPLICANT: Melva Rodriguez

LOCATION: 7916 Benjamin Rd. Tamp, FL 33634

FOLIO NO.: 27418.0000

AGENCY REVIEW COMMENTS:

At this time, according to the Hillsborough County BOCC approved maps adopted in the Comprehensive Plan, the site is not located within a Wellhead Resource Protection Area (WRPA) and/or Surface Water Resource Protection Area (SWRPA), as defined in Part 3.05.00 of the Hillsborough County Land Development Code (LDC).

At this time, according to the Florida Department of Environmental Protection well location information, the site is not located within 500-feet of non-transient non-community and/or community water system wells; therefore, the site is not located within a Potable Water Wellfield Protection Area (PWWPA).

At this time, Hillsborough County Environmental Services Division has no objection to the applicant's request as it relates to the County's wellhead and surface water protection regulations.

WATER RESOURCE SERVICES
REZONING REVIEW COMMENT SHEET: WATER & WASTEWATER

PETITION NO.: RZ-STD 26-0037 REVIEWED BY: Clay Walker, E.I. DATE: 10/28/2025

FOLIO NO.: 27418.0000

WATER

- ☒ The property lies within the City of Tampa Water Service Area. The applicant should contact the provider to determine the availability of water service.
- ☐ A inch water main exists ☐ (adjacent to the site), ☐ (approximately feet from the site) . This will be the likely point-of-connection, however there could be additional and/or different points-of-connection determined at the time of the application for service. This is not a reservation of capacity.
- ☐ Water distribution system improvements will need to be completed prior to connection to the County's water system. The improvements include and will need to be completed by the prior to issuance of any building permits that will create additional demand on the system.

WASTEWATER

- ☐ The property lies within the Wastewater Service Area. The applicant should contact the provider to determine the availability of wastewater service.
- ☒ A 4 inch wastewater forcemain exists ☒ (approximately 475 feet from the project site), ☐ (adjacent to the site) and is located north of the subject property within the east Right-of-Way of Benjamin Road. This will be the likely point-of-connection, however there could be additional and/or different points-of-connection determined at the time of the application for service. This is not a reservation of capacity.
- ☐ Wastewater collection system improvements will need to be completed prior to connection to the County's wastewater system. The improvements include and will need to be completed by the prior to issuance of any building permits that will create additional demand on the system.

COMMENTS: The subject rezoning includes parcels that are within the Urban Service Area and would require connection to the County's wastewater system. The subject area is located within the Hillsborough County Wastewater Service Area and will be served by the Northwest Regional Water Reclamation Facility.

ZONING HEARING MASTER MEETING

ZONING HEARING MASTER MEETING
TRANSCRIPT OF TESTIMONY AND PROCEEDINGS

BEFORE: Steve Luce
Zoning Hearing Master

DATE: Monday, December 15, 2025

TIME: Commencing at 6:00 p.m.
Concluding at 8:39 p.m.

LOCATION: Hillsborough County BOCC -
Development Services Department
(LUHO, ZHM, Phosphate)
Second Floor Boardroom
601 East Kennedy Boulevard
Tampa, Florida 33601

Reported by:
Diane DeMarsh, AAERT No. 1654
Notary Public for the State of Florida

1 MS. HEINRICH: Our next item is Item C.4, Standard
2 Rezoning 26-0037. The applicant is requesting to rezone
3 property from AI to M. Logan McKaig with Development Services
4 will provide staff findings after the applicant's presentation.

5 HEARING MASTER: Okay. The applicant, please.

6 MS. M. RODRIGUEZ: Thank you. Good evening. My name
7 is Melva Rodriguez, 7710 Ann Ballard Road, Tampa, Florida
8 33634.

9 So we are currently at zoning AI, agriculture. So we
10 are in the process of getting that property to M, as
11 manufacturing, for just parking purposes like trucks, trailers
12 and all that stuff. Mainly, some areas there are manufacturing.

13 HEARING MASTER: Okay.

14 MS. M. RODRIGUEZ: So -- but that's basically it.

15 HEARING MASTER: That's fine. Thank you.

16 MS. M. RODRIGUEZ: Uh-huh.

17 HEARING MASTER: Okay. And Development Services
18 staff.

19 MR. MCKAIG: Good evening. Logan McKaig, Development
20 Services.

21 Application 26-0037. The applicant is requesting to
22 rezone the property from AI to M for the purpose of open storage
23 for vehicles. However, all M zoning districts are -- uses are
24 proposed and to be permitted.

25 The property exists along west side of Benjamin Road,

1 approximately a half mile southeast from the intersection of
2 Waters and Veterans -- Waters Avenue and Veterans Expressway --
3 excuse me. The property is also just under two miles from the
4 Tampa International Airport. Property is located in an area
5 developed with/zoned for other high intensity uses, such -- high
6 intensity uses -- excuse me. Such as rezoning -- as such,
7 rezoning this property to M brings it more in line with the
8 surrounding zoning district.

9 Staff finds the proposed rezoning approvable, and is
10 available for any questions.

11 HEARING MASTER: No questions. Thank you.

12 Planning Commission staff.

13 MS. LIENHARD: Thank you.

14 The subject property is located in a Light Industrial
15 Future Land Use Category. It is in the Urban Service Area and
16 the subject property is located within the limits of the Town
17 and Country Community Plan.

18 The subject site is largely surrounded by the Light
19 Industrial Future Land Use Category and the Agricultural and
20 Manufacturing zoning districts. The area is currently developed
21 with higher intensity commercial and industrial uses with
22 minimal residential uses. The commercial uses include a gas
23 station, tire shop, car rental and repair and open storage of
24 commercial vehicles. The majority of residential uses are
25 located west across the Veterans Expressway. The site is

1 within, and surrounded by, the Light Industrial Future Land Use
2 Category with Office Commercial-20, Research Corporate Park and
3 Urban Mixed Use-20 to the north of the site.

4 Future Land Use Section Policy 3.1.3 requires all new
5 development be compatible with the surrounding area.

6 Additionally, the Neighborhood Protection policies under
7 Objective 4.4 and Policy 4.4.1 require new development to be
8 compatible with the surrounding neighborhood. Given the current
9 development pattern that consists mainly of higher intensity
10 commercial and industrial uses, the proposed rezoning is
11 compatible with the surrounding area and neighborhood character.

12 The Light Industrial Future Land Use Category allows
13 for the consideration of agricultural, processing, manufacturing
14 and assembly of materials, offices and neighborhood serving
15 commercial. This category allows for a maximum of a .0 -- I'm
16 sorry, 0.75 floor to area ratio. With .68 acres, the subject
17 site can be considered for up to 22,215 square feet.

18 The vision statement of the Town and Country Community
19 Plan states that, We encourage redevelopment of our older
20 commercial centers and desire a strong business sector that
21 contributes to the community and provides meaningful employment
22 opportunities. The rezoning to allow for additional business in
23 a compatible area will provide for additional opportunities to
24 grow the industrial business sector and provide job
25 opportunities within the community, and therefore aligns with

1 the Community Plan vision.

2 Based upon those considerations, Planning Commission
3 staff finds the proposed rezoning consistent with the
4 Unincorporated Hillsborough County Comprehensive Plan. Thank
5 you.

6 HEARING MASTER: Thank you.

7 Is there anyone in the audience that wishes to speak
8 in support of the application? See no one responding.

9 Anyone in the audience wish to speak in opposition to
10 the application? See no one responding.

11 Staff, anything further?

12 MS. HEINRICH: Nothing further, sir.

13 HEARING MASTER: Okay.

14 Applicant, opportunity for rebuttal. Applicant's
15 good?

16 MS. RODRIGUEZ: Yeah, we're good.

17 HEARING MASTER: With that, that concludes this
18 application.

19 Ms. Heinrich, we're ready for the next item.
