WHEREAS, the Board of County Commissioners of Hillsborough County has established a Land Development Code, hereinafter referred to as "LDC", pursuant to the authority contained in Chapters 125, 163 and 177, Florida Statutes; and

WHEREAS, the LDC authorizes the County to accept ownership and/or maintenance responsibility of off-site improvement facilities constructed by the Subdivider in conjunction with projects in Hillsborough County, provided that the improvement facilities meet County standards and are warranted against defects in workmanship and materials for a period of two (2) years; and

WHEREAS, the Subdivider has represented to the County that the completed improvement facilities have been constructed in accordance with the approved plans and all applicable County regulations and technical specifications; and

WHEREAS, the Subdivider has offered to warrant the off-site improvement facilities against any defects in workmanship and materials and to correct any such defects which arise during the warranty period.
